2014 DRIFTSAND

2014 was a really good vintage for us in Vine Vale. Crops were well below average which resulted in concentrated fruit with great balance thanks to an extended ripening period.

Because of the low yielding nature of the 2014, the Grenache and Shiraz was more concentrated than previous vintages. The result is a bold harmonious blend that is unashamedly fruit driven.

An explosion of kirsch liquor and spice on the nose leads into a plush, long and supple palate that delivers loads of fruit with a nice hint of seasoned oak in the background.
