SINGLE VINEYARD YARRA VALLEY

## Helen's Hill 2012 Blanc de Blanc *"Roma's Grace"*

At Helen's Hill Estate our vineyard and wine making philosophy is quite simple: The land and the fruit are in charge – we do all the labour. Wines made under the Helen's Hill label epitomize this philosophy. The secret is ensuring the wine truly reflects what the vineyard provides. Fruit is hand-picked from selected sites on our single vineyard and is then hand crafted by a single winemaker following traditional French winemaking methods.

Our Helen's Hill Vintage Blanc de Blanc is made predominantly from our Single vineyard Chardonnay plantings using the traditional methods of early harvest, gentle whole bunch pressing, and long maturation on lees before disgorging. A fresh but complex and balanced wine that combines the natural acidity and flavours of our Chardonnay fruit with creaminess and texture from ageing on lees.
