

munamuna

MARLBOROUGH

ABOUT

Munamuna means 'to be secret' or 'covert' in New Zealand's native Maori language. Hidden in the heart of Marlborough are the vineyards that make up this classic wine. For years people have been trying to find us, even in tiny boats lurking in local inlets. What they can tell you is the fruit is from the Wairau Valley in the Marlborough region and is made by successful winemaker, Chris Darling.

MUNAMUNA SAUVIGNON BLANC

Viticulture

The grapes are sourced from vineyards in the Wairau Valley of New Zealand's Marlborough region.

Winemaking

The grapes were picked in April and fermented at cool temperature to produce a fresh and vibrant wine.

Parcels of wine were selected for blending that produced a varietal and classic Sauvignon Blanc.

Tasting Notes

Typical aromas of tropical fruit, passionfruit and lime show through on the nose. The tropical fruits continue on in the mouth with hints of melon and citrus which adds great length of flavour.

This wine will drink well anytime complementing white meats, salads and seafood.
