

BELLBRAE ESTATE

2021 Longboard Rosé

Geelong, VIC

Background

Our Longboard Rosé is like the party wave that everyone gets on, and nobody wants to end. Following on from some of the great wines of southern France, it is true to the style as an elegant, well-balanced rosé to be enjoyed on a warm summer's day. There is plenty of intrigue with texture and mouthfeel that make the wine so very enjoyable on its own, yet ready to party with all types of food. Unfortunately though, like the best moments in life, the bottles do tend to go pretty fast!

Tasting Note

Bright and sparkling watermelon pink in colour. Light raspberries and strawberry characters abound in this delicious, dry style. Cool raspberry, subtle plum & watermelon flavours follow in this energetic young number. A dash of texture lends a little more generosity filling out and softening the wine, making it a terrific match for summer salads and light lunches. The finish is dry, clean and swish. Pour yourself another glass and bring on Summer!
