

## BELLBRAE ESTATE

### 2018 Longboard Sauvignon Blanc

*Geelong, VIC*

#### **Background**

Planted beside the iconic Great Ocean Road and a short stroll from our Cellar Door, our Sauvignon Blanc is very much a part of the endless summers along the Surf Coast. Planted in 1999, these vines are well-established and over-deliver every year with delicious tropical fruits, crisp acidity and a long finish that's pumping all summer. Hand-picked and lovingly crafted in a true Australian style. Softly whole bunch pressed to extract the premium aromas and flavours, then bottled early in the year to capture all these characters, so that it can be enjoyed by all.

We only have one hectare of Sauvignon Blanc and it's hardly a local secret, so grab some while you can!

#### **Tasting Note**

The Longboard Sauvignon Blanc is a crisp, fresh wine. Well balanced and zesty citrus and gooseberry notes, this is a vivid and precise Sauvignon Blanc. There is an underlying lemon-and-lime-freshness, which we've preserved through a cool fermentation in stainless steel. Vibrant flavours and aromas suit most Asian dishes. This wine is ready to drink all summer long.
