D1 London Spirits blend award winning traditional distilling craft with contemporary art. The reversible bottles provide a clear canvas for the diverse cultural references of the 'Stained Glass Skull', by internationally recognised artist Jacky Tsai.

D1 Potato Vodka

The daring character and delicious, creamy smoothness of D1 Potato Vodka are rooted in the careful selection of the finest potatoes. Recognised by the world's leading bartenders as the ultimate vodka ingredient, D1 London Spirits has taken the craft of potato vodka to a new level. Starting with a long fermentation before three distinct distillations, during the second of these, the vapours are elevated 8 times through a series of 3 column stills. As it ascends, the potato spirit passes over 1,200 purification plates, each raising the liquid a little bit closer to vodka perfection. In the third and last distillation process they use a copper pot batch distillation that adds the final touch of smooth and distinguished D1 character. This meticulous process is controlled with such accuracy that, after blending with water, the spirit drawn from the still can be bottled without filtration. The potato distillate originates from Poland with copper pot distillation in England; blended and bottled in Lancashire, using local water.

NOSF:

Toasted sourdough bread, sage, melted butter on Jersey Royals, earthy and vegetal.

PALATE:

Saline and salted butter, bitter chocolate 80%, sweet fig and wild honey, hints of herbs de Provence.

FINISH:

White chocolate, double cream, Szechuan pepper.

London, England, United Kingdom Established in 2014 Made by the D.J.Limbrey Distilling Company Ltd www.d1londongin.com

D1 Gluten Free Potato Vodka

Double Gold Medal

San Francisco World Spirits Competition '16

Gold Medal

The Vodka Masters/Spirit Business Masters '15

D1 Classic

Serve 25ml of D1 Vodka onto a sugar cube topped with lavender bitters and topped with a chilled fizz, served in a flute for a magically floral sensation.

D1 Green Tea Sour

Pour 45ml of D1 Vodka into a chilled shaker filled with ice and add 10ml of egg white, 20ml sugar syrup, 30ml lemon juice and 20ml green tea. Shake vigorously until chilled and serve in a rocks glass over ice.

D1 Rhubarb and Ginger Julep

Combine 45ml of D1 Vodka with 2 bar spoons of rhubarb and ginger conserve; add a dash of rhubarb bitters; then shake with ice until chilled. Fill a Julep tin with cracked ice and serve with a mint sprig and rhubarb stalk

Blackman's Brewery was founded in 2014 by Renn and Jess Blackman, and is a 100% independently owned brewery which brews and cans everything they produce onsite in their amazing backyard, Torquay, on the Great Ocean Road. Renn comes from a brewing background and has studied brewing and been working in the industry for over 12 years. Jess has worked in the advertising and marketing and beer industries for many years.

Blackman's Brewery package all their beers in cans and kegs with the environment in mind - canning beer has a lower carbon footprint as cans are lighter than glass, therefore lighter to transport, resulting in less fuel being consumed in transport. Cans take up less space in recycling and can be crushed, creating a more efficient and greener recycling method, and are 100% recyclable. Blackman's Brewery use recycled milk bottle 4 pack and 6 pack rings which are made from 100% recycled plastic milk containers. Water is a major focus for Blackman's Brewery, and the company is continually improving its water usage process, making sure it recycles as much as possible in all brewing processes. All the spent grain is sent to a local farm, where pigs and cows enjoy it. Malt bags are recycled in-house.

Blackman's Brewery is a family-friendly, craft drinks venue and brewery that serves locally sourced food and beer and cider made on the premises, providing customers with a broader hospitality experience; they have the opportunity to see where the beer is made, learn about the craft-brewing process and sample the different styles of beer, all hand crafted on site. Blackman's is the first brewery to be located in central Torquay and provides the opportunity for brewery tours and customers to taste locally made craft beer, aligning with the tourism nature of the location. Blackman's now operate three venues, including Torquay, Geelong and Ocean Grove.

'Winnie' Apple Cider

Cloudy, fruity, left of centre, unfiltered cider, Winnie is a little bit c-r-a-z-y! A dry style, that has a tart effervescent finish.

NEW BREWERY

Australia's most awarded gluten free beer

John O'Brien is a legend of Australia's beer industry. In 2003, he dreamed of producing a great tasting beer that could be enjoyed by everyone, free from the ill affects of mass-produced wheat and barley.

Upon blending the unique aromas and flavours offered by ancient grains such as sorghum and millet, John realised he needed to modify the standard brewing process and equipment. For years he worked with local Aussie farmers to produce the right malted ancient grains and through extensive trial and error (and a fair bit of tasting!), he created his masterpiece! Since that first commercial brew launched in August 2005, O'Brien has won over 40 local and international awards, making it Australia's most awarded gluten free beer.

As awareness about the nutritional value of ancient grains has grown, the appeal of gluten free beers has moved beyond taste to include health benefits. These derive from high levels of beneficial minerals such as zinc (triple that of barley-based beers) and magnesium, proteins to help muscle growth, B vitamins and antioxidants. In addition, a low GI index supports more stable blood sugar levels.

Gluten Free Pale Ale

Medium-bodied, American style pale ale with mild hop aroma and distinct citrus and tropical fruit flavours balanced with a slight sweetness.

Gluten Free Premium Lager

Slow brewed and extra matured, this classic lager is full-bodied, crisp and refreshing. Distinct floral aroma and firm bitterness.

Gold Medal

Australian International Beer Awards '21

Gluten Free Brown Ale

A deep copper hue and perfect balance of caramel and spicy roasted flavours.

3 Gold Medals

IBA Indies '19. Australian International Beer Awards '16 + '21

Gluten Free Lager 3.0

A naturally brewed mid-strength beer which is pale gold in colour. A surprisingly full-bodied lager with a well-balanced bitterness and flavoursome malt and hop character. Easy drinking with a crisp, clean finish.

Gluten Free XPA

A blend of Citra and Cascade hops delivers a distinctive XPA aroma and refreshing burst of citrus flavour, with a clean finish. At a modest 3.8% ABV, O'Brien XPA is surprisingly full-bodied. The perfect beer for summer!

Gluten Free Belgian Ale

With Belgian candi sugar added to the sorghum and millet malts, this slightly sweet and warming ale has subtle spice, earth and fruit character with a dry finish.

2 Gold Medals

Australian International Beer Awards '13 + '21

Gluten Free Stout

In the style of an Irish Stout with a light sweetness. Aromas of roasted coffee and chocolate, followed by a full, creamy mouthfeel.

Crafted in the heart of the stunning Bellarine Peninsula, the core Flying Brick range comprises three ciders — Original, Draught and Pear. The Cider House is also always busy crafting up boutique, specialty batches from fresh, seasonal fruit - look out for these exclusive pours when you visit the Cider House!

All Flying Brick ciders are naturally crafted using traditional methods and made from 100% fresh fruit, free from added sugars, colours or concentrates. Many ciders on the market are made from fruit concentrate, often imported. Some mainstream ciders are nothing more than synthetic carbonated water. The Flying Brick range is literally the result of gathering, pressing and fermenting fresh, crispy Victorian apples and succulent Packham Pears.

Original Cider

Trophy: Champion Cider Sydney Royal Beer and Cider Show '18

'Pachinga' Pear, Ginger, Chilli and Lime

Co-fermented with ginger, chilli and lime and then back sweetened with fresh pear juice.

'RasPerry' Pear Cider with Raspberry

Packham Pears infused with a high quality raspberry extract. A Rosé colour coming from the raspberries' natural pigments. Freshly crushed berry notes and generous fruit sweetness on the nose.

Battle of Bosworth was established in 2001 by Joch Bosworth and Louise Hemsley-Smith. The wines take their name from the original Battle of Bosworth, fought on Bosworth Field, Leicestershire, England in 1485. The roots of the Bosworth family's battle were planted in the early 1850's with their first vineyard in McLaren Vale. The modern day Battle of Bosworth saw the conversion of 'Edgehill' vineyard to organic viticulture by Joch Bosworth in 1995. Joch and Louise have been growing their grapes organically for 23 years this year. Joch's vision saw him convert 24 acres of vines to organic viticulture in 1995. In 1999 they gained their organic certification from ACO P/L (Australian Certified Organic). This process represented a big leap of faith in many regards, not least because in those days 'organic' was not the buzzword it is today. Their vineyards were the first in McLaren Vale to achieve organic certification, too, and they were the very first winery to release an organic wine.

Battle of Bosworth

"Best Wineries of the Regions" + "5 black stars"

Halliday Wine Companion '21

"5 black stars"

Halliday Wine Companion '20

One of "Ten Dark Horses"

"Battle of Bosworth has been part of the field since 2005 and has received ratings of 4 or 4.5 stars except for a solitary 5 stars in 2014. The winery was established in 1996, and its vineyards were certified A-grade organic years ago, when the practice was uncommon. Part of the production from the 80ha is sold to buyers wanting to use organic grapes. The estate production is 15,000 dozens." Halliday Wine Companion '20

2017 Shiraz

"Excellent value..."

"Excellent value in these bones, offering a whiff of the complexity of the single vineyard offerings sans the depth, length and overall complexity. Yet to compare is effete given just how delicious this is across lilac, bing cherry and anise. Fresh with not a hard edge, a grate of tannin... just free-flow warmth of region and variety."

Ned Goodwin MW,

Halliday Wine Companion '20

"(...) plush fruit..."

"A fruity shiraz that shows blueberry compote, eucalyptus, vanilla and resin. Full-bodied with plush fruit. (...)."

JamesSuckling.com, June '19

2016 Shiraz (avaiable in 375ml)

"It takes time to open up but once it does it's a powerhouse. It's rich with flavours of blackberry, dark chocolate, loganberry and woodsy spice, and while it delivers plenty it does so in fresh, vibrant style. The word generosity springs readily to mind. Price, flavour and style all have ticks beside them."

Campbell Mattinson, Halliday Wine Companion '20

BELLBRAE

Bellbrae Estate Winery was established in 1999 on a beautiful section of rolling hills, five minutes from world famous Bells Beach, in the Surf Coast region of Victoria. Appropriately, the wines are named after the acclaimed local surf breaks: 'Sparrows', 'Boobs', 'Bird Rock' and 'Bells'.

Originally planted to grapes around 150 years ago by Swiss settlers, at one stage the area from Bellbrae to Geelong and beyond was one of Australia's largest wine growing regions. For most of the 20th century, however, the land had reverted to grazing but the wonderful climate and the enticing north facing slopes led Bellbrae Estate to plant the first vineyards here for over 100 years — better late than never!

2018 'Bells' Syrah "95 points"

"Hand-picked, open-fermented, matured in French barriques (50% new) for 14 months on fine lees. A very attractive cool climate shiraz with fragrant red and blue fruit aromas, the medium-bodied palate a juicy and exact follow on."

James Halliday,

Bellbrae Estate

2018 'Bells' Syrah

"Best Wineries of the Regions" + "5 black stars"

"The Surf Coast area of Geelong enjoys a slightly milder climate overall than other areas of the Geelong viticultural region. Being so close to Bass Strait, Bellbrae Estate experiences a maritime influence that reduces the risk of frost in spring and provides more even temperature ranges during summer - ideal growing conditions for producing elegant wines that retain their natural acidity." Halliday Wine Companion '21

\$ ILLIC DACK NIGHTES

6 pk NEW VINTAGE

Bellbrae Estate also produce the Longboard range of wines, which are a true expression of the region with their exuberant flavours and are a great match for the local produce. Made more to drink now, they are all bursting with freshness and taste, perfect for the relaxed lifestyle loved on the Surf Coast.

Pinot Gris

From the outstanding 2018 vintage, 3 new barrels of exceptional quality emerged in the winery. After three months of loving attention, these barrels were blended, bottled and left for two years to soften and develop complexity. Stone fruits on the nose lead to a soft, yet balanced acidity and structure. This limited release is full and flavoursome with spicy oak to match and will live for many years to come.

'Sparrows' Semillon

Sparrows is a consistent reef break between Bird Rock and Boobs near Torquay. This is the first release of this new dry style Semillon. The Sparrows grapes came from a tiny patch near the Great Ocean Road. The fruit flavours are bright with fresh notes of citrus. All of the wine was matured in French oak, where it developed more textural and vanilla characters which will mature over the next 5 years.

'Boobs' Chardonnay

Local legend has it that the 'Boobs' surf break is named after Bobby 'Boobs' Johnson, who was given naming rights after being the first person to surf there in the early 1960s. However, it also may be due to the shape of the cliffs surrounding the beach... The 'Boobs' Chardonnay was hand-picked, whole-bunch pressed, spent 10 months on fine lees in French oak barriques, with one third new oak and two thirds 2 to 3 year-old barrels. There was no MLF in order to preserve the purity of fruit and freshness of this wine, but maturation on lees gives added mouthfeel and toasty notes.

'Bird Rock' Pinot Noir

Bird Rock is a right-handed reef break to the West of Jan Juc beach. The grapes were hand-picked, crushed and fermented in 3 tonne open fermenters, with 50% whole bunches. One third matured in new French oak barriques, the balance in 1 year old barriques, all for 12 months on fine lees.

'Bells' Syrah

Bells Beach is the most famous of the Surf Coast's beaches and home of the Rip Curl Pro, the world's longest running surfing competition. Plums, raspberries, savoury notes of spice, pepper and cedar oak.

The Bellingham Estate 'Eagles Rise' Vineyard is located in Main Ridge, on Victoria's Mornington Peninsula. The vineyard location is ideal for the production of cool climate wines.

The 1.5 acre vineyard was planted in 1993 to Pinot Noir, which for many years has produced complex and flavoursome fruit. The pruning method employed is 'Spur Pruning'. All pruning, canopy management and picking is done by hand. The owner of Bellingham Estate is lan Walker, who personally attends to each vine at every stage of its' development.

WINEMAKERS, RICHARD MCINTYRE AND JEREMY MAGYAR

Richard McIntyre is owner/chief winemaker at Moorooduc Estate, founded in 1982 by Richard and his wife Jill. Richard is ably assisted by Jeremy Magyar, who has many years of winemaking on the Peninsula. Richard's winery has now developed an enviable reputation for making some of the Mornington Peninsula's finest wines. Richard's winemaking style favours wild yeast ferments and minimal intervention, with a nod to traditional Burgundian techniques, which he believes allow the wines to express their site specificity, or terroir.

 NEW VINTAGE

V = VEGAN

'Main Ridge' Pinot Noir

The Main Ridge vineyards are dry grown and planted with low yielding, intensely flavoured Pinot Noir. Outstanding fruit, sensitive winemaking and the finest French oak barrels have produced a wine of complexity and elegance. Older French Oak barrels combined with 30% new oak barrels are used. Once picked, the fruit is cooled before fermentation in open fermenters with wild yeasts. A Pinot Noir showing dark cherry and spice aromas, finishing with firm tannins and natural acidity. No fining or filtration.

'The Bellingham' Reserve Pinot Noir

Silky and complex, the purest expression of Pinot Noir which reflects this incredibly special site, the viticulture and the winemaking. This Pinot is made from Bellingham Estate's finest hand-selected fruit. The high altitude and cool climate provide natural acidity and minerality which results in a seamless, long finish. Freshness and vibrancy are evident along with fine but firm tannins and taut acid. This enhances the beautiful fruit and gives it length and structure. Currently, this wine is drinking superbly and will improve further in years to come.

2018 'The Bellingham' Reserve Pinot Noir

"Fuller flavoured Pinot Noir with dark cherry, mocha notes, a bit of mint, some graphite and smoke in there too. The frame is broad, the spread in the palate generous. That being said, acid is to task and keeps things fresh. Feels pretty darn serious, all up."

Mike Bennie, WBM, May/June '21

Brand's Laira is an iconic winery, nestled in the heart of the famed 'terra rossa' strip of the Coonawarra region in South Australia. Steeped in heritage with a wealth of old vine vineyards dating back to 1893, Brand's Laira offers a range of opulent and richly flavoured premium wines from this distinct region.

With a winemaking philosophy that focuses on sourcing the best fruit possible, the Brand's Laira wines are classically Coonawarra in nature, combining the powerful influence of the rich red soils of the 'terra rossa' with skilled winemaking to create world renowned wines. Each range of Brand's Laira wine exhibits a shared standard of excellence and a distinctly Coonawarra style. Casella Family Brands are now the proud custodians of this iconic Australian winery, and are dedicated to its long-term commitment to producing world class wines.

"James Halliday's Top 100 Wines of 2020" "97 points"

"Vines planted in 1893; the length and focus of the wine in the mouth speaks eloquently of very old vines. The structure and texture, coupled with the dark fruits, are the key to the wine's quality, though not making oak and tannins irrelevant. Coonawarra at its best."

James Halliday, The Weekend Australian, Nov '20

2015 'One Seven One' Cabernet Sauvignon "95 points"

"Heavy hitter in flavour terms but the balance is there and oak has completely melted down into the fruit. Classic Coonawarra cabernet in many ways. Tobacco, cassis, the sweeter side of boysenberry, tips of mint and wafts of cedar wood. A class act. Tannin is fine, in general, but assertive where it needs to be."

James Halliday, Halliday Wine Companion '19

2015 'August Tide' Dry Red

"54/37/9% blend of cabernet sauvignon, merlot and petit verdot. Sturdy red with dark berried fruit flavour, peppercorns and bay leaves and just a whisper of resiny oak. Tannin is firm and well-formed without being entirely seamless. Solid is the word."

Campbell Mattinson, Halliday Wine Companion '19

Huon Hooke, The Real Review '21

Langhorne Creek is renowned for its full bodied red wines and well balanced, fruit driven Chardonnay. Greg Follett of Lake Breeze Wines created Bull Ant, a great range of approachable, drink-now wines, using fruit from the Follett family vineyard.

The playful label was inspired by the bull ants which are known to harass vineyard workers. As is the case with the Lake Breeze wines, the Bull Ant range over-delivers, possessing vibrant fruit flavours with palate richness and offer great value.

At Lake Breeze a minimal intervention approach is taken with all of the wines, with most receiving no filtration or fining at all. With the small amount of fining undertaken, they have a commitment to avoid using any animal-based fining agents. All wines produced by Lake Breeze, including the Bull Ant label, are vegan and vegetarian friendly.

Ned Goodwin MW, Halliday Wine Companion '21

Greg Follett

Cover Story

WBM, Jan/Feb '19

"Good old farming family values and attention to detail keep Lake Breeze and Langhorne Creek on the map."

WBM, Jan/Feb '19

"Sometimes we can get so caught up in the glitz and glamour of the wine industry that we almost forget that winemaking is an agricultural pursuit. There's little chance of that happening on a visit to Lake Breeze. One can't listen to Greg Follett's story without getting a palpable sense of history, of the importance of family, and of wrestling an honest living from the land. (...)."

Peter Forrestal, Gourmet Traveller Wine

"(...) one of the unsung heroes of Australian wine."

"Greg Follett is one of the unsung heroes of Australian wine. He and his family have been quietly making sensational reds in one of our less fashionable regions for many years (...)."

Huon Hooke, Gourmet Traveller Wine

Winemaking is in the Casellas' blood, with generations of Italian family winemakers dating back to 1820. It was whilst growing up in Sicily amongst age-old vines that Filippo Casella was first captivated by his family's winemaking passion and dreamt of one day creating his very own wines. In homage to Filippo and Maria's desire to give back to the places the family are proud to call home, there's a spirit of generosity that remains with the family today and is at the heart of Casella Family Wines.

LIMITED RELEASE

Limited Release wines celebrate the remarkable landscapes and exceptional fruit of South Australia's most outstanding wine regions. Over the years, the family has selectively invested in some of South Australia's best vineyards enabling them to source high quality fruit from the best sites across the regions. The Limited Release range is a full bodied wine style with distinct varietal character, balanced by velvety tannins and oak.

1919

1919 has strong sentimental ties to the family as it is named after the year that the very first vines were planted at the Casella Family winery. The 1919 range is only released in exceptional years when carefully selected parcels of fruit produce outstanding wines that express true regional and varietal character. The 1919 range of wines are rich, opulent and textural, balanced by a soft smooth palate.

'Limited Release' Shiraz

A richly laden palate of ripe plum, blackberry and fruitcake flavours, which are interwoven with hints of chocolate and spice. This is a full bodied wine with fine grained velvety tannin providing excellent structure.

'Limited Release' Cabernet Sauvignon

Rich and complex displaying blackcurrant and mulberry fruit flavours with a hint of cedar adding savoury complexity. Powerful yet poised, the wine builds on the palate delivering flavour and length.

'1919' Shiraz

Rich and generous exhibiting varietal characteristics of a great full bodied Australian Shiraz. Flavours of dark fruits and ripe plum are woven together with liquorice notes and a touch of pepper spice to provide a long smooth finish.

'1919' Cabernet Sauvignon

This wine displays flavours of rich fruit cake with elegant blood plum and bittersweet chocolate notes. A solid oak frame supports the palate giving it length and structure. Tannins are firm but fine, adding richness to the back palate.

Expressive, dynamic. Winemaker Elise Bonon's disposition is very much reflected in the Cat out of the Bag range. Cat out of the Bag wines reflect Ellise's genuine passion for nurturing each varietal's persona within the loving parameters of sustainable practice. Growing up in Bordeaux (France) with a passion for science, Elise gravitated towards the wine industry and rapidly fell in love with it. After few internships and vintages spanning some of the premier wine regions of France including Medoc, Saint-Émilion and Cotes du Rhone, Elise graduated with a Master of Winemaking & Viticulture from the University of Montpellier (France).

Curious to travel the world and pursuing her passion, she gained experience in California at the prestigious Napa Valley before signing up for a vintage in Australia in 2017. The rest is history.

NV Sparkling Brut

with a lovely, persistent bead. An elegant sparkling displaying lifted bouquet and palate notations of stone fruit. citrus and honeysuckle. A delightfully creamy palate ushers in a delicate, clean astringency on the finish. Pop the cork and let the celebrations begin!

Pinot Grigio

Pear, apple and sassy spice notes steer the lively, refreshing palate. Impressive texture throughout and finishing fresh, crisp and clean.

Chardonnay

Displaying lovely fresh white peach and lime bouquet aromas. The elegant palate abounds with notations of ripe stone fruit, butter and hints of citrus. A delicate textural persona pays homage to nurturing in aged French oak. Well balanced in both length and finish.

Pinot Noir

Pinot Noir and cool climate terroir – a match made in heaven. Rich, ripe cherry and blood plum notes partner delicate tannins, hints of leather and subtle French oak. A graceful, medium bodied Pinot Noir with superior length and a mellow, lingering finish.

Shiraz

Rich, fresh and vibrant, this Bellarine Shiraz is testament to cool climate finesse. Dark fragrant fruits lift from the glass - plum, blackberry, raspberry, hints of spice and pepper. The palate displays great balance, fine grained tannins and a long, smooth finish.

Nick Stock has a packed CV that extends from sommelier to journalist, to presenter, film maker and winemaker. He started the Archer project in 2004 looking to explore Heathcote's potential to make wines with deep fruit flavour at lower alcohols with less oak. Wine for drinking, wine for the diverse styles of food we eat and the everyday social life we lead.

\$ LUC PACK NOTES

v 2014 Shiraz 15.59 12 pk
 v 2011 'Eagle Eye' Shiraz 36.01 6 pk

V = VEGAN

Grapes were all sourced from the Greenstone Vineyard, an east-facing parcel that sits in a prime position on the 'Côte'. The vineyard is planted to a selection of different clones and these are harvested and fermented separately with subtle differences according to berry size, stem ripeness etc. The idea here is to create a wine that is full of interest and has complexity that is derived from the vineyard.

Shiraz

An assembly of a number of plots of Heathcote shiraz fermented with ambient yeasts and aged as separate wines, using whole bunches and larger format (500 litre) French oak for maturation. Red and dark cherry fruits, subtle spice and velvety tannins that finish fresh. This is a wine that marries the inherently fleshy and rich character of Heathcote Shiraz with fragrance and perfume. Bursting with aromas of blackberry, blueberry and dark cherry as well as chocolate, musky perfume and attractive oak spice. The palate has lithe and juicy texture, really full and round, the core flavours of red cherry, blueberry and dark plum fruits are wrapped in fine long and smooth tannins.

'Eagle Eye' Shiraz

A single parcel fermented on skins for 36 days in two small open fermenters with no de-stemming or additions. Smells of complex musk and red fruit fragrance, some spice and layered black fruits, hints of minerals and wild berries. The palate is all aboutfinesse and elegance with deceptive concentration, length and power – tannins are layered in soft sheeted formation.

ESTATE GROWN • FAMILY OWNED

Eden Hall Wines is a boutique winery owned by David and Mardi Hall with a total of 33 hectares in the high country of the beautiful Eden Valley. David and Mardi work in harmony with the environment through a series of different practices and programmes, lead by General Manager, Graeme Thredgold and Viticulturalist, Dan Faulkenberg. By installing over 60 solar panels and an extensive investment in a back up battery generation system and water tanks, the business now operates completely off grid.

2020 'Reserve' Riesling

2 Trophies - Best Riesling +
Most Outstanding Single Vineyard

Barossa Wine Show '20

"A very fresh, intensely focused nose with vibrant lemon and white-peach notes on offer. The palate has a succulent, juicy and very expressively fleshy feel, winding into a tight, bright and dry finish."

Nick Stock, JamesSuckling.com, Nov '20

2017 'Reserve' Riesling

Gold Medal Royal Adelaide Wine Show '17 "95 points"

"(...) lovely fresh flowery aroma with some subtle toasty overtones. The palate is young and reserved, with delicious fruit flavour underlined by a tickle of sweetness. There is good acidity backing up and balancing. A delicious wine right now."

Huon Hooke, The Real Review, Feb '20 "95 points, Exceptional + Special Value"

"(...). Marries elegance and finesse with intensity and length (...)."

James Halliday, Halliday Wine Companion '19

2017 Grüner Veltliner

Gold Medal Winewise Small Vignerons Awards '17 "95 points, Exceptional + Special Value"

"(...). A delicious grüner, closer to riesling than most, and deserved its gold medal from the Wisewise Small Vignerons Awards '17. Meyer lemon and yellow peach lie behind the balancing acidity."

James Hallidav, Hallidav Wine Companion '19

2016 'Block 4' Shiraz

"95 points"

"Selected rows from a single block, open-fermented, matured for 15 months in French barriques (40% new).

Inky purple-black; super rich, voluptuous, arms open wide to welcome all who come here for it's not over-extracted nor tannic. The balance is such that much will be consumed sooner rather than later, but that wouldn't be a crime."

James Halliday,
Halliday Wine Companion '19

2018 'Springton' Shiraz 2 Gold Medals

Winewise Small Vignerons Awards '19 + NZ Int'l Wine Show '19

2020 'Springton' Riesling

"Super mineral nose with crushed stone and lemon peel. Very fresh and vibrant. The palate has richness that is very attractive and a nicely feathered balance of acidity and set, fleshy fruit."

Nick Stock, JamesSuckling.com, Nov '20

The Helen's Hill wine range celebrates passion, persistence and the genuine connection between people and land. Each wine is hand-crafted and undergoes an arduous selection process before it makes it into a Helen's Hill bottle. Great wine is made in the vineyard and as such only small select parcels of fruit from certain rows of our single vineyard site are hand picked at harvest. Each wine is fermented in select French oak barrels. Prior to bottling, each barrel is tasted and ranked with only the best barrels selected for the Helen's Hill range.

"96 points + Special Value"

"Shows the exceptional '15 vintage to full effect, likewise the skilled winemaking and the Pommard clone that responds to the site so well. (...)." James Halliday,

WineCompanion.com, Aug '20

Ingram Road is an exciting range of wines from Helen's Hill, a boutique winery in the renowned Yarra Valley. The Ingram Road range of wines are made following traditional boutique wine making techniques only found at the top end of the price range; premium fruit from select vineyards in the Yarra Valley and Central Victoria, small batch sizes, open top fermenters, full French oak maturation, 'wild' fermentation, and hand crafted...all trademarks of quality boutique wines. Ingram Road delivers these qualities, without the price tag!

'En Vie' Sparkling Blanc de Noir

En Vie, in French it means 'Alive'. This sparkling wine came to existence due to the fact that the team at Helen's Hill were fed up of drinking inexpensive bubbles that were too sweet or too bland. It left them feeling like this style of sparkling had something more to give. This sparkling Pinot Noir strikes a perfect balance between fruit sweetness and balanced acidity. The fruit is handpicked early in the season, whole bunch pressed to tank and cold settled for 3 days, after which it is racked to a separate tank and cool fermented for 6 weeks. Methode Charmat is then used to create this beautiful sparkling with a fine bead.

"Crushed and destemmed, open-fermented, 14 days on skins, matured for 10 months in French oak (10% new). A great example of why Heathcote is regarded as one of the foremost regions in Australia for shiraz. This overflows with supple blackberry fruit, rounded tannins and a clean finish. Exceptional value."

James Halliday, Halliday Magazine, Dec '20/Jan '21

"(...) very attractive flavour and softness..."

"Intense pepper-spice aromas, fruit-driven and bright. Light to medium body, very attractive flavour and softness, lovely texture and harmony. A delicious early-drinking spicy shiraz."

Huon Hooke, The Real Review, July '20

2019 Pinot Noir

"Special Value"

"MV6 and 777 clones, matured for 10 months in used French barriques. The varietal expression is a crystal-clear blend of red and dark cherry/plum fruits, spice and gently savoury tannins providing complexity. Special value at this price."

James Halliday, Halliday Magazine,
Dec '20/Jan '21

Maria and Johann Christian Hahn arrived in the Barossa Valley in 1845, and like many early Barossa settlers were of Silesian-German descent. Early settlers staked out the best of the valley's farmland, and Maria and Johann chose a premium block for their vineyard. Second generation Barossa winemaker, Rolf Binder, first began producing wines under the JJ Hahn brand in 1997 as a joint venture with 6th generation Barossa growers, James and Jacqui Hahn. Today Rolf is co-owner and has retained the management of the vineyard and the winemaking. The range of red wines are now made with fruit from Binder vineyards, located in various subregions of the Barossa. A recent acquisition in the Vine Vale area has now given Rolf access to centenarian shiraz vines, planted in the 1890s, with the first wine being released from the exceptional 2015 vintage. Wines are only made during the

2015 '1890's Vineyard' Shiraz

"Considerable charm with earth, sweet fruit aromas, Barossa violets and blackcurrants with just a touch of cedar. A steady hand lies behind the excellent balance displayed in this wine with polished tannins, a whisper of oak and lovely seductive flavours of smoky black berries, bitter chocolate, toasted walnut, leafy fine herbs. A compelling wine for the price."

Jeni Port, Halliday Wine Companion '21

6 pk

CHARLES DACK NICTED

2015 '1890's Vineyard' Shiraz

"94 points"

"Binder's malt chocolate tannins melt across this powerful wine's attack of dark fruit flavours and spice: plum, dark cherry, mace and five-spice spring to the nostrils. There is nothing whatsoever jammy about this, with the kinetic fruit held tightly to the plush breast of all American oak and impeccably drawn out grape tannins. The end result is one of power, intensity and yet, a lingering impression of savouriness."

48.38

Ned Goodwin MW, Halliday Wine Companion '18

2018 'Western Ridge 1975 Planting' Shiraz

"(...). Generous and long...."

"Deep, dark colour and a big fumey aroma of sweetly-ripe fruit and a tinge of spice, nutty oak backing. Roasted aromas. Full-bodied and elegantly-structured. Chocolate and dark fruitcake. Generous and long, the finish refreshed by cleansing acidity. Huon Hooke. The Real Review. Nov '20

2016 'Reginald' Shiraz Cabernet

"(...). it's all come together for accessibility (...)."

"A 70/30% blend, aged 16 months in French and American oak and it's all come together for accessibility. A neat mix of dark and tangy red fruits with a hint of cassis, menthol and mocha; while not a big wine, the tannins are savoury, the acid fresh making it a drink-now proposition."

Jane Faulkner, Halliday Wine Companion '19

2018 'Stelzer Road' Merlot

"#4 of 16 2018 Merlot from South Australia"

"(...). There is good intensity of flavour, enlivened by bright acidity, the aftertaste tensed up by tight but not overpowering tannins. Good length. It's balanced, and would be better still with something meaty."

Huon Hooke, The Real Review, Sept '20

The Kay Brothers McLaren Vale Amery Vineyards grace the rolling foothills of the Southern Mt Lofty Ranges. Established in 1890 by Australian born brothers, Herbert and Frederick Kay, the Heritage listed Kays Amery Winery celebrated its first grape crush in 1895 and is the oldest McLaren Vale winery still in founding family hands. Today, the family continues the winemaking traditions in the heritage listed cellars.

Kay Brothers utilise a traditional method of pressing out their wines. Their Celestial & Cog basket press was installed and ready for use in the 1928 vintage to replace older hydraulic and manual screw presses that had proved unreliable. For their winemaker, it is still the preferred of their two presses. The basket press reflects Kay Brothers traditional winemaking philosophy. The grapes are pressed gently, resulting in softer tannins and cleaner juice as the juice is filtered through the mass of pulp while draining through the basket. Whilst this process is labour intensive and time consuming, Kay Brothers are

2017 'Griffon's Key' Reserve Grenache "96 points"

"One of Australia's most sophisticated Grenaches achieves a seamlessly even accord between exacting varietal definition, gorgeous fragrance, alluring fruit integrity and, most of all, a powder-fine, mineral tannin structure of the highest order. (...)."

Tyson Stelzer, WBM, Dec '18/Jan '19

2018 'Block 6' Shiraz "95+ points"

"(...). One of the great wines of Australia. (...)."

"Stately 126 year old vines. Raised in 40% new American and French oak puncheons. One of the great wines of Australia. Savoury and rippling with ferrous and dense tannin, intense blackberry and boysenberry flavour, nutty oak, black olives and dried herb. Acidity is firm and pretty zesty, but sits inside the wine well enough, and again the umami almost porcini mushroom flavours through deep black fruit. Finish is all tannin, earthiness, frozen berries and super length. It's a powerhouse vintage, and demands cellaring."

Gary Walsh, The Wine Front, Sept '20

2017 'Cuthbert' Cabernet Sauvignon "95 points"

"A magnificently crafted Kays Cabernet that sings with the mineral texture of the ancient soils of this legendary vineyard (...)." Tyson Stelzer, WBM, Jan/Feb '20

As a family winery with humble beginnings, Kingston Estate are proud to see their wines enjoyed by people all over the world. The Moularadellis family began as grape growers in 1965 and when Bill Moularadellis completed his oenology degree in 1985, Kingston Estate Wines was born.

The Kingston Estate winemaking philosophy is to source the best fruit parcels from the best South Australian regions, delivering true varietal flavour and character.

WINEMAKER, BRETT DUFFIN

Brett was born in Ballarat Victoria in 1974, and travelled through America and Canada during the 90's looking for something to spark his interest. He finally settled down to study winemaking (oenology) at the renowned Roseworthy College and Adelaide University (Waite Campus) in South Australia and completed this four-year degree at the end of 1999. Brett has made wine since graduating in many regions such as Hunter Valley NSW, Margaret River WA, Austria, Pyrenees Victoria, Spain, and of course the Riverland where he is today. Brett's experience in the wine industry thus far has seen him work in very small boutique wineries that crush just 200 tonnes of fruit per year, right up to the size of Kingston Estate, who could supply the whole population of Australia with about three bottles of wine each and every year! Brett has now been making quality wine for over 15 years working in new and old world settings.

The Follett family have been grape growers in Langhorne Creek for 130 years and winemakers for over 30 years and have rapidly built an enviable reputation for consistently producing outstanding wines. Lake Breeze selects only the best 40% of fruit from the older vines on the property to create wines with amazing depth of flavour. All wines produced by Lake Breeze, including the Bull Ant label, are vegan and vegetarian friendly. At Lake Breeze a minimal intervention approach is taken with all of the wines, with most receiving no filtration or fining at all. With the small amount of fining undertaken, they have a commitment to avoid using any animal-based fining agents.

NFW WINFRY

Nestled at the foot of the Cullerin Range at Lake George, Lerida Estate Winery is dedicated to making distinctive, world class wines that represent the unique and beautiful site on which they are grown. Through the combination of cutting edge vinevard management, meticulous winemaking. a magnificent cool climate site and their spectacular Glenn Murcutt designed winery, Lerida Estate strives to provide a welcoming and memorable visitor experience to stand alongside their exceptional Canberra District wines.

Lerida Estate is the manifestation of a long-held passion to make outstanding Pinot Noir. The selection of Lerida as a vineyard and winery site was influenced by the work of Dr. Edgar Riek at, next-door, Lake George Wines. Favouring wild yeast fermentation and naturally ripened bunch tannins, Edgar succeeded in making some of the greatest New World Pinots. With Edgar's experience in mind, Lerida Estate aspire to produce world class Pinot Noir, made from low-yielding vines with elegant, secondary flavours using wild yeast and minimal intervention.

Beyond Pinot Noir, Lerida Estate also grow Chardonnay, Pinot Gris, Viognier, Merlot, Cabernet Franc and Shiraz. Shiraz produces fantastic fruit from their site, although tremendous demand requires they seek fruit from some of the best growers in the broader Canberra District, who are selected with a view to sourcing fruit that complements that grown on the Lerida Estate site.

"(...). Very pretty palate..."

"Deep purple core and youthful brightness in the rim. Blueberry, iodine and violet hints on the nose. Very pretty palate, violets and red berries up high whilst a cured-meat note sits with wood spices underneath. Acidity keeps those high-notes singing long and then a fine swoosh of tannins cleans out and persists long into the finish." Stuart Knox, The Real Review, Feb '21

2019 'Cullerin' Pinot Noir

"(...). A serious pinot noir, and the price is remarkable."

"Medium to deep, ruby to tile-red colour; the bouquet showing some mellowness from development, some pot-pourri notes, a trace of leather, with flowery high-notes soaring above. The palate is full and rich, deep and well-structured with abundant, slightly chewy tannins. Long extension on the finish. A serious pinot noir, and the price is remarkable." Huon Hooke, The Real Review, Feb '21

2019 'Cullerin' Riesling

"Vivacious..."

"Vivacious - floral, mandarin skins and lime flesh; a lovely nose. It has a skinsy, supple texture, which delays the inevitable taper into lemony, crisp acidity. The mid-palate defines this wine - phenolics adding complexity and interest."

Nick Butler, The Real Review, Sept '19

LIGHTFOOTSSONS

Inspired by the ancient Terra Rosa and limestone earth beneath the vineyard, Lightfoot & Sons winery can be found in Eastern Gippsland between the Great Dividing Range and Bass Strait. Their wines explore the tension between tradition and progression. Testing the boundaries and seeing wine not just for what it is, but for what it could be, reflecting its origins in the vineyard and in their imaginations.

2016 'River Block' Shiraz

"95 points"

"100 days post ferment maceration before going into French oak, 40% new. The effort was worth it. This is a pretty spectacular shiraz. Immensely peppery and textural with an excellent push of plush-feeling fruit and a highly complex, not to mention persistent, finish. It feels absolutely cool climate and bunchy but it also feels absolutely ripe and generous. It will no doubt age but there isn't a lot of reason to wait; it's beautiful now."

Campbell Mattinson, The Wine Front, March '20

2017 'Home Block' Chardonnay "94 points + Exceptional"

"Only 222 dozen bottles made despite the perfect growing season, the limitation being the small parcel from within the Home Block. Pressed straight to oak (20% new) for fermentation and 11 months maturation. The fruit aromas and flavours span white peach, grapefruit and melon, the oak no more than a textural play."

James Halliday, Halliday Wine Companion '21

Life is short. Celebrate well!

Leura Park Estate has firmly established itself as a renowned producer of premium cool maritime climate wines. Leura Park Estate wines are 100% estate grown and predominantly hand picked. A commitment to grape integrity, voice and 'methode traditionelle' is showcased in a range of wines boasting a distinctive and delightful French-style subtlety.

2019 Chardonnay

"(...) one smart Chardonnay."

"Fruit flavours and aromas span a wide field from white peach, nectarine and dried mango through to Golden Delicious apple and preserved lemon. But it is the structure and creamy texture appeal that brings this wine home. The quality of oak is a standout – in presence rather than obviousness – with gentle winemaking workings bringing together one smart Chardonnay." Jeni Port, WinePilot.com

2018 'Block 1 Reserve' Chardonnay

"94 points"

"Hand-picked, sourced from a propitiously sited block and aged for 10 months in smart French oak, this is rewarding richer expression, particularly in the current clime of thinner, more linear styles. Toasted hazelnut, creamed cashew, oatmeal and ample nougat creaminess meander with plush stone fruit aspersions. Very well put together and frankly, delicious, billowing and long."

Ned Goodwin MW, Halliday Wine Companion '21

2017 Shiraz

Gold Medal

International Cool Climate Wine Show '18

"(...) fleshy with meaty charcuterie, pepper, spice..."

"Deep red/purple colour with a vegetal, spicy, foresty bouquet, some sulfides. The palate is soft and fleshy with meaty charcuterie, pepper, spice and vegetable soup flavours. The wine is medium to full-bodied and thickly-textured, with spice, earth and humus-like notes. (...)."

Huon Hooke, The Real Review, Aug '19

2018 '25 d'Gris' Pinot Gris

"(...) in the right hands, it can be a complex and fascinating wine. Peach nectar, jasmine, straw and butter aromas, while the texture is smooth and rich, round and almost fat, with a touch of grip that makes it a fine food wine.'

Huon Hooke, Gourmet Traveller Wine, Dec/Jan '21

"(...) A big part of what we like about gris, the velvety mouthfeel, the way it slides off the tongue, is here. It's joined by apple, dried pear and pineapple, quince. So much to taste and enjoy." Jeni Port, WinePilot.com

Longboard Wines are produced by Bellbrae Estate Winery which was established in 1999 on a beautiful section of rolling hills, five minutes from world famous Bells Beach, in the Surf Coast region of Victoria.

The Longboard range of wines are a true expression of the region with their exuberant flavours and are a great match for the local produce. Made more to drink now, they are all bursting with freshness and taste, perfect for the relaxed lifestyle loved on the Surf Coast.

Bellbrae Estate

"Best Wineries of the Regions"

+ "5 black stars"

"The Surf Coast area of Geelong enjoys a slightly milder climate overall than other areas of the Geelong viticultural region. Being so close to Bass Strait, Bellbrae Estate experiences a maritime influence that reduces the risk of frost in spring and provides more even temperature ranges during summer - ideal growing conditions for producing elegant wines that retain their natural acidity."

Halliday Wine Companion '21

2018 Shiraz

"Special Value"

"Good colour, still unchanged from its youth. A light-bodied, fresh cherry and plum-fruited wine, its cool-grown antecedents reflected in the spicy, flowery bouquet and fresh palate.

Terrific value, and ready now."

Halliday Wine Companion '21

2018 Pinot Gris

"94 points + Special Value"

"This is a grapefruit with 750ml of attitude. It has power and intensity that spans all the non-aromatic varieties, the fruits of pear, peach and nectarine"

James Halliday, Halliday Wine Companion '20

"(...) has been handled deftly!"

"Sawdust and orchard fruits. There's more smoke and savoury notes on the palate balanced with stone fruits and honeysuckle. Good length and drive, more worked than most of this variety but has been handled deftly!"

Stuart Knox. The Real Review. March '20

2018 Pinot Noir

"94 points + Special Value"

"Clones MV6, 777 and 114, 30% whole bunch fermentation and maceration, matured for 12 months in 1-3yo French barriques. Packs a punch with dark berries/stewed plums, spices and ripe tannins. Obviously picked when ripe, not too late. Its best years are in front of it." James Halliday, Halliday Wine Companion '21

2018 Sauvignon Blanc

"93 points + Special Value"

"Aromas of fresh-picked and finely chopped herbs, plus some stone fruit and nectarine."

James Halliday, Halliday Wine Companion '20

"(...) greater depth of flavour than usually found at this price level..."

"Floral, nasturtium-like aromas with a waft of sulfides, the palate intense and powerful, with penetrating flavour and a lingering aftertaste. A smart wine, with greater depth of flavour than usually found at this price level. There's a touch of passionfruit in the centre and a faint suggestion of the barrel. A very good wine." Huon Hooke, The Real Review, April '20

2016 Chardonnay

"95 points + Special Value"

"Announces its credibility with the first whiff of the bouquet, equally quickly confirmed by the palate. This is very good stuff, fully ripe at 12.5%, and not looking to be a wannabe sauvignon blanc. It's white peach first up, then pink grapefruit takes command on the back-palate and finish."

James Halliday, Halliday Wine Companion website, Feb '18

LONGVIEW

MACCLESFIELD

Situated among some of the region's most picturesque vineyard country, Longview Vineyard is recognised as one of the Adelaide Hills' leading modern vignerons. This family owned and operated estate, crafts a distinguished line-up of wines from each finely-tuned piece of the vineyard, tended to by Viticulturist Chris Mein.

Central to the Longview experience, the Cellar Door and kitchen stands as a bold expression of modern rural style and promotes Longview Vineyard as a key destination on the Adelaide Hills food and wine trail. Formed from the original 1918 cottage of local pink sandstone, the building reflects the rusted ironstone and quartz soils on which it is built. Recycled timber and steel, street-art, a vaulting roof-line and floor to ceiling glass: this is a tasting room that is as dramatic as the sweep of the hills themselves.

The 'Macclesfield' Range is a collection of premium, small-batch wines that reflect the unique geology and climate of Macclesfield. The labels feature ethereal photographs of sculptures from the vineyard - hewn from Macclesfield pink marble. These images echo the undulating topography of the vineyard.

2020 'Macclesfield' Riesling

"(...). It's an excellent Riesling..."

"(...). Smells of freshly laundered sheets, green apple, lemon barley and lime. Tight and layered in with fine chalk texture, a little bit of citrus pith, a pleasing mouth-perfume, brisk acidity and a long and persistent finish. It's an excellent Riesling, showing the Adelaide Hills to fine effect."

Gary Walsh, The Wine Front, Nov '20

2017 'The Piece' Shiraz "97 points, 5 stars"

"(...) a brightly spicy, red-fruited aroma which is full of charm and aromatic appeal. Very good intensity and drive through the palate, great tension and persistence, refinement and vitality that carries right through to the last. Sweet fruit core followed by a firm, authoritative finish. A gorgeous wine."

Huon Hooke, The Real Review, Aug '20

2019 'Macclesfield' Syrah "Top Rank"

"(...). a seductive nose of crushed berries, earthy nuances, a funky hint of reduction, and a subtle thread of spice. In the mouth, it's medium-bodied and intense, yet it's gentle in personality with silky flow and delicious plummy flavour, supported perfectly by very soft tannins."

Ralph Kyte-Powell, The Real Review, Feb '21

LONGVIEW

MACCLESFIELD

Passionate about their heritage, the Saturno family has infused Longview with an Italian accent. Tipping their hat to the family's matriarch, Tarquinia "Queenie" Saturno, they produce meticulous examples of Northern Italian wines and focus their food around regions of their spiritual homeland.

Longview is located on the South Eastern Ridge of the Mt Lofty Ranges and at its highest point (410m above sea), a "long view" stretches out toward the Southern Ocean and Lake Alexandrina. This southern location accounts for a slightly higher than average temperature than the rest of the Adelaide Hills, while the altitude confirms it as a true cool-climate site. During the summer, warm days are followed by cool winds shifting from the southern waters off Lake Alexandrina and the coast.

2020 'Juno' Nebbiolo Rosato

"(...) fresh, frisky, and pretty tangy..."

"Nebbiolo rosato should most often be served cool, not cold. Peach Melba, a little aniseed and green herb. It's fresh, frisky, and pretty tangy with blood orange flavour, a fine chalky feel, and a zesty peel finish. Nice wine. Energetic. It'll be better again with about six months more in bottle."

Gary Walsh, The Wine Front, Nov '20 "(...). Understated but impressive."

"(...). Scents of flowers, red berries, blackcurrants and straw lead into a clean, dry palate that's well-defined by lip-smacking acidity and a light thread of tannin. Understated but impressive."

Ralph Kyte-Powell, The Real Review, Jan '21

MR.MICK

Mr. Mick Wines, Cellar Door and Kitchen are named after the late K.H. (Mr. Mick) Knappstein, an Australian winemaking legend and Tim Adams' mentor and friend. Tim and his wife Pam are proud custodians of the landmark property at 7 Dominic Street, Clare, that now bears his name and houses a renowned restaurant, cellar door and gallery. Tim and the winemaking and viticulture teams, continue Mr. Mick's philosophy of making "affordable wines for everyone to enjoy", introducing consumers to new and different varietals as well as crafting fine quality traditional wines.

TIM ADAMS

Tim Adams' formative years were spent in South Australia's Clare Valley. As a Clare lad growing up among pioneering grape growers and winemakers, it was no surprise that in his final year of school Tim eschewed studying in favour of writing to Clare Valley wineries seeking employment. The recipient of one such letter was Mr Mick Knappstein at the Stanley Wine Company, which led to Tim securing a position as winery cellar hand in 1975. A fortuitous beginning for Tim, who found himself mentored by a revered pioneer of the modern Australian wine industry. The first release of wines under Tim Adams' own label was in September 1986, by which time Tim had left the Stanley Wine Company. 'Mr Mick' continued to encourage the young winemaker, embracing Tim as his last apprentice, a relationship that continued until him passing in 1997.

2017 Tempranillo

"(...). Exceptional value."

"A gnarly, earthy first whiff, with charcuterie and graphite subduing any fruit. Far friendlier and fresh on the palate showing sour cherries and wild strawberries. Tannins are chalky. A strong understanding of the variety writ large in the winemaking. Exceptional value."

Nick Butler, The Real Review, March '20

2020 Riesling

"(...) sure to be a crowd-pleaser."

"Pale and lightly-perfumed with citrus fruits and green apple, this young riesling is round and juicy in the mouth, with lime and cinnamon spice flavours, and a slight whisper of sweetness in the middle. A straightforward quaffing riesling that's sure to be a crowd-pleaser. Worth a bit of bottle age too."

Ralph Kyte-Powell, The Real Review, Sept '20

"(...). Good going."

"Clare Valley riesling, fresh and ready to go. Pretty good intensity of flavour here and it certainly tastes both varietal and regional. Lime and chalk characters burst through the palate in attractive style, the finish offering a bit of rind-like bite. Good going."

Campbell Mattinson, The Wine Front, Dec '20

Mount Avoca, Australia's most highly awarded organic winery, was established in 1970. The cool climate organic certified vineyard produces small quantities of wonderful, intensely flavoured fruit that is hand-crafted into extraordinary wines featuring great varietal expression and regional distinction. Experience 50 years of tradition and innovation, and share their passion in the stone tasting room, overlooking the vineyards and Pyrenees Ranges.

'Moates Lane' Range

Anyone who has visited the winery will have enjoyed driving down the winding Moates Lane under a canopy of ancient gumtrees on the way to the Mount Avoca winery front gate. The Moates Lane range of wines are meticulously blended from exceptional parcels from Mount Avoca's growers and estate fruit, and are produced to be enjoyed immediately while offering exceptional value.

2018 'Moates Lane' Cabernet Sauvingon

"94 points + Special Value"

2018 Cabernet Sauvignon

"Bright, full purple-crimson; tasted immediately post-bottling, and the tannins were exercising themselves. Once they've settled down - and they will in a year to so - this could be a special wine as abundant cassis takes centre stage." James Halliday, Halliday Wine Companion '20

2019 'Moates Lane' Sauvignon Blanc

"Special Value"

"This is a solid Sauvignon, managing a card of restraint across a hand of inherent exuberance. Verdant herb, grapefruit pulp and guava. The acidity is nicely wrought, the finish punchy."

Ned Goodwin MW, Halliday Wine Companion '21

'Moates Lane' Sauvignon Blanc

An assembly of free run juice harvested from several Loire clones. Fermentation is long and cool to retain sincere aromas and flavours.

'Moates Lane' Chardonnay

Machine harvested, crushed, destemmed and pressed into French oak barrels for fermentation. Kept on lees for 2 months then racked, stabilized, blended and bottled.

'Moates Lane' Shiraz

Sourced from 30+ year old vineyards. Fermented on skins in small open fermenters and stainless steel tanks. MLF on skins and completed in tank prior to aging in American and French oak barrels.

'Moates Lane' Cabernet Sauvignon

Clean full-bodied flavours with velvety tannins. Crushed into stainless steel fermenters for MLF then matured with French oak for 12 months

10.21 12 pk

'Estate' Range

Honouring the original philosophy of founders John and Arda Barry, "100% Grown, Made and Bottled" the Estate wines are now also 100% Organic.

'Headspace' Range

It was in the 1960s, the era of 'peace and love' when the Barry family left the rat race and established their own nirvana. Headspace wines celebrate that clarity of intent.

NEW WINERY

A boutique producer of premium cool climate wines, Merriworth Wines is a tribute to the unique landscape on which the vineyard stands, and the very special interaction between the local climate, earth and vines.

The 2 hectare vineyard was established in 2000 on an east-north-east facing block at the western edge of the Coal River Valley by well-known local John Skinner under the Third Child Vineyard label. The site features free draining dermasol soils over Jurassic dolerite and a dry (400mm rain annually), cool climate ideal for growing premium cool climate grape varieties. The north-east aspect provides protection from wind, and plenty of morning sun for the vines throughout the growing season. Mild afternoon temperatures and cool nights produce a long ripening period.

Mark McNamara and Kirralee Hatch spent several years studying viticulture and winemaking on the Australian mainland before deciding in 2017 that they were ready to take the next step, and bought the Third Child Vineyard, renaming it Merriworth, the name of the road on which the vineyard is located. The clean water, rich soils and mild climate of the Merriworth site enables Mark and Kirralee to pursue their goal of producing wines of depth and complexity.

2020 'Estate' Riesling

"Mark gives you his honest opinions about the best wines available right now from Tasmania's wine makers."

"(...). Its bright, juicy/limey palate is very refined and elegant. Partner it with a fresh, Asian-inspired salad or simply enjoy as a stylish aperitif wine. Lovely."

Mark Smith, Tasmanian Times, April '21

2020 'Estate' Riesling

Three clones of Riesling are planted on 2m wide north-south rows at 1m spacing. In 2019 the vineyard enjoyed a dry, warm start to summer and cooler days towards the end of the season ensuring ideal ripening conditions. The grapes were crushed, pressed and fermented in stainless steel. The wine was left on lees for a short period to add texture and weight to the wine.

Delicate citrus floral aromas lead on to a palate which presents a full mouthfeel of sweet pear, lime and lively acidity. Match with food with bold flavours such as chili crab, strong cheeses or Sichuan chicken.

2019 'Estate' Pinot Noir

Nine clones of Pinot Noir (0013, 0014, D2V5, D5V12, MV6, H7V15, 114, 115 and G5V15) are planted on 2m wide north-south rows at 1m spacing. In 2018 the vineyard enjoyed long sunny but cool days through the growing season. The grapes were destemmed and placed into small batch open fermenters. Innoculated with a neutral yeast and the cap plunged up to two times a day by hand. After 10 days the wine was drained and the must basket pressed off to tank where it underwent a malolactic fermentation which softens the acid. The wine was then racked to a mix of 30% new and 70% four and five-year-old French puncheons, then left to mature for 10 months.

The bouquet shows floral complexity, sweet rose petal and spice. A fuller style Pinot Noir that exhibits dark cherry, liquorice, mixed spice, hints of vanilla, and a tight minerality. Lush velvet tannins and natural acid provide an extended finish.

TROPHY: OUTSTANDING WINE PRODUCER OF THE YEAR TROPHY: FORTIFIED WINE PRODUCER OF THE YEAR

International Wine and Spirits Competition '20

With 160 years of history and winemaking tradition, the Morris family of Rutherglen have earned the esteemed position as one of the most prominent winemaking families in Australia. When founder George Morris first planted vines near Rutherglen, in North-East Victoria, he established an enduring family legacy. Under the guidance of David Morris, 5th generation and current Chief Winemaker, the Morris range of fortified and table wines continue to be masterfully crafted with the same skill and passion that has been their hallmark since 1859.

The story is in the name. Growing up surrounded by vines and learning the way of mother nature young, Oscar always had a nagging suspicion that he could do this 'wine thing' different. Do it better. His Dad disagreed. "These are the way things have always been done. Why change something that's been working for so many years? It's folly, your head is in up in the stars again, son." Oscar stuck to his guns, but took onboard a few things his old man told him; using some old techniques, blending them with some new. Oscar's Folly is the achievement of a boyhood dream. Quality wine with a sustainable edge.

Huon Hooke, The Real Review '18, '19 + '20

Pinot Noir

Harvested early in the season to maintain fresh, natural acidity and flavour. The Oscar's Folly Pinot Noir is destemmed and lightly crushed before fermenting for 8 days on skins. Once primary fermentation is completed, the wine is transferred to a mixture of French oak barriques and puncheons, of varying ages between 2-4 years. The wine is matured for 10 months before bottling. The colour is bright with a light red hue and a fragrant strawberry and red berry aroma. The palate is fresh, textural and lively, loaded with flavour and vigor. Sweetness to start finishes with pleasant crunchy bitterness.

Coldstream, Yarra Valley and Heathcote, Victoria Established in 2019 Made by Scott McCarthy www.helenshill.com.au

	\$ LUC	PACK	NOTES
2020 Pinot Grigio 2019 Chardonnay		•	2021 DUE JUNI 2020 DUE MAY
2020 Pinot Noir	13.44	12 pk	NEW VINTAGE

Pinot Grigio

Made true to the traditional grigio style, Oscar's Folly Pinot Grigio is picked early when natural acidity in the fruit remains high and flavours have developed to the point where a balance can be achieved. Handpicked and whole bunch pressed, the wine is fermented in tank using 100% wild yeasts. After ferment, the wine is then lightly filtered and bottled. When making this wine the focus is on harnessing the natural freshness the variety displays, allowing the expression of abundant apple and pear characters and fresh acidity to reveal themselves through minimal intervention techniques. The wine shows aromas of honeysuckle and lime lead on to the palate which follows suit with flavours of crisp apple, pear and citrus.

Chardonnay

The Oscar's Folly Chardonnay block is picked early in the season to enhance the elegance and structure that cool-climate Yarra Valley Chardonnay typically displays. The fruit is 100% handpicked and whole bunch pressed then transferred to barrel for fermentation using only wild yeasts. Once primary ferment in complete, the wine is aged for 10 months in French oak barrels, 10% new, with occasional lees stirring to add complexity and mouth feel to the wine.

The Yarra Valley experienced a cool, yet relatively dry 2018 winter with below average rainfall. Similar conditions continued into early Spring with some much needed warmth coming at the right time to allow for a successful flowering period in late November and healthy crop loads. Timely rain throughout December was a godsend and helped get the vines through the important stages of fruit set and veraison. As the vineyard entered 2019's true summer, temperatures soared consistently into the high 30's, keeping the viticulture team on their toes until harvest. The result of these conditions have the 2019 wines displaying rich, full bodied characteristics.

The aromas of the 2019 Oscar's Folly Chardonnay are white stone fruit, melon and citrus. The palate reflects the nose with a combination of white stone fruit, melon and citrus matched perfectly with vibrant acidity. Fresh and bright, this is a classic cool climate chardonnay that maintains the tightness and vibrancy that Yarra Valley chardonnay is known for all the way to the clean finish.

Beginning in 1979, Peter Lehmann Wines brings unmatched diversity, uniqueness and quality from hand-tended vineyards across the length and breadth of all 14 Barossa subregions. From the valley floor to the elevated sites of the Eden Valley, the winemakers work closely with a select number of growers in the Barossa. The quality of Peter Lehmann Wines are a testament to their relationships, allowing them access to the region's most unique and finest grapes. Casella Family Brands purchased Peter Lehmann Wines in December 2014 and the brand is now joined by a growing portfolio of premium wineries.

"Best of the Best by Variety + 95 points"

Halliday Wine Companion '21

"Buy of the Week"

Huon Hooke, The Real Review, May '20

"(...). A very smart sparkling shiraz."

"Deep red colour with a trace of purple and a good collar of foam. The bouquet shows licorice and aniseed, shiraz spice and a suggestion of oak, although fruit holds centre-stage. There's a touch of bitterness on the back-palate and the wine is full and soft, rounded and pillowy-textured. There is good depth and richness, augmented by plenty of sweetness. The tannins are soft and balanced. A very smart sparkling shiraz."

Huon Hooke, The Real Review, March '20

"(...) a sparkling Shiraz of character and poise..."

"The cooler 2014 season in the Barossa makes for a sparkling Shiraz of character and poise. All the blackberry, black plum and liquorice that we love of the Barossa is here, and it's framed in greengage tang and pepper-accented definition."

Tyson Stelzer, WBM, Sept/Oct '20

2019 'H&V' Riesling

"94 points + Special Value"

"From an exceptional block in Springton, and three vineyards in the High Eden. Lives up to expectations, with an even-flowing stream of Rose's lime juice and lemon, acidity precisely balanced, the finish born of a spring day. Great value." James Halliday, Halliday Wine Companion '21

2018 'H&V' Shiraz

"Special Value"

"Interesting wine, with more elegance than expected, yet still full of plum, blackberry and dark chocolate flavours, the American hogsheads in which the wine was matured for 12 months adding its flavour." James Halliday, Halliday Wine Companion '21

Beginning in 1979, Peter Lehmann Wines brings unmatched diversity, uniqueness and quality from hand-tended vineyards across the length and breadth of all 14 Barossa subregions. "Best known for: statuesque but never over-the-top Barossa reds, led by Stonewell and Eight Songs shirazes; also the Barossa's best semillon, under the Margaret brand. (...)."

Huon Hooke, The Age + The Real Review, Best Australian Wineries, June '21

2013 'Margaret' Semillon

"Best of the Best by Variety, 96 points + Special Value"

"Generations of Barossa Valley semillon were made from grapes ripened to produced alcohol levels between 15% and 16.5%, matured in used American oak and had no support outside of a hardy few until winemaker Andrew Wigan decided to follow the Hunter Valley and pick early, cold ferment and bottle asap. It was an immediate success, and continues to this day: zesty citrus/lemongrass flavours and mouthfeel, and a 10-20 year life." James Halliday, Halliday Wine Companion '21

2014 'Wigan' Riesling

"95 points + Special Value"

"A lime edge to a shimmering yellow hue, segues to notes of lime curd, lemon drop, citrus marmalade and a waft of petrol indicating the encroachment of development, albeit, more like a youthful middle age, with plenty left in the tank. Bright, energetic and long of finish, the acidity is juicier and more nourishing than in past bottlings, echoing the trend of the region at large."

WIGAN

Ned Goodwin MW, Halliday Wine Companion '20

2013 'Wigan' Riesling

Wine Match for King George Whiting with Tarator sauce

"King George whiting and riesling is a classic food and wine combo. The sweetly flavoured fish works in perfect harmony with the floral, citrus-fresh flavours of riesling. South Australia is renowned for both its King George whiting and its world-class rieslings – so it's a no-brainer to pair the two. The twist here is the tarator sauce – a Turkish take on the traditional tartar version that includes walnuts. A young, fresh riesling would be swamped by the nutty sauce. However, bottle age has endowed the Wigan with the depth and toasty development to cope with the punch of the tarator sauce while retaining the citrus bright vitality that makes riesling a perfect fit with the whiting."

'1885' Shiraz

Only made in exceptional years. Shiraz sourced from the 1885 vineyard in Ebenezer, in the North West of the Barossa, home to sixth generation growers Ralph and Angela Schrapel. Planted on red brown soils, at over 300m above sea level, this four acre block is home to extremely low yielding, gnarled vines producing a wine of rich colour and flavour intensity.

'Hearnden' Shiraz

From a single vineyard at 440 metres above sea level, owned by Mick Hearnden and his family east of Mt. McKenzie in the Eden Valley. The vineyard was planted in 1998 in low fertility, grey podsolic soil containing schist and quartz.

'Valley View Road' Shiraz

Wayne and Scott Grope's Ebenezer vineyard at 360 metres above sea level, holds the position of the highest and most northern in the Barossa Valley. The vineyard was planted in 2002 in shallow red brown earth, underlain by schist and shale. This site produces later ripening grapes.

'Ruediger' Cabernet Sauvignon

A blend of two low yielding vineyards tended by Dudley and Trevor Ruediger, situated to the north of Nuriootpa on either side of Research Road, which bisects the Light Pass and Ebenezer districts of the Barossa. The Ruediger vineyards have produced a wine of great style and strength, that showcases just how good Barossa Cabernet can be.

Printhie wines is owned and operated by the Swift family, locals to the Orange region for 36 years. Every individual batch of wine is made at Printhie aspiring to be classified at the highest level. Every wine is made with the same attention and passion in the hope that it will attain the highest classification.

MR (MOUNTAIN RANGE)

A range of popular varietal red and white wines, blended from a number of vineyard sites throughout the Orange region. These wines consistently provide great quality and value for money, exhibiting true varietal characteristics with an Orange regional expression. Fruit flavours are paramount. There are underlying complexities to add interest and personality to the wines. They are fresh, balanced and immediately enjoyable.

DREW TUCKWELL

Drew began his path to winemaking in 1993, working as a cellar rat at Brokenwood estate in the Hunter Valley. He had so much fun, he returned in 1994. Hooked on winemaking by this stage, Drew gave up his career as a graphic designer and became a 'vintage gypsy', travelling to Europe for work. After the 1995 vintage in Chianti Classico in Tuscany, Drew returned for a vintage at Brown Brothers in north-eastern Victoria, then back to Tuscany in 1996 for another vintage before deciding to go to the University of Adelaide for Oenology qualifications. After seven years in Mudgee NSW, Drew moved to Printhie, excited to have joined such a quality driven family-owned winery.

2018 'Topography' Chardonnay "94 points"

"This is a fine chardonnay hewn by a sensitive regime: spontaneous and inoculated ferment on plenty of solids, 50% natural malolactic and no lees stirring, resulting in a nutty, broad chardonnay on attack, boasting a filigreed line of mountain acidity, beautifully handled oak and detailed lees work across the mid-palate to finish. This adds to the textural composition and energy of the wine, while corralling the abundant stone, toasted nuts and orchard fruit flavours."

Ned Goodwin MW, Halliday Wine Companion '20

2018 'Topography' Cabernet Sauvignon

"The Topograhy tier is regional, single vineyard-focused, with a clear accent on the altitudinal sites. A plump and relatively soft cabernet, with green bean tannins, gently astringent, expanding across the back end with time in the glass to confer a whiff of authority and poise. Clear varietal signposts of black currant, bay leaf and olive make for good drinking."

Ned Goodwin MW, Halliday Wine Companion '20

2019 'Topography' Pinot Meunier

"(...) considered the only example of this varietal wine in the region..."

"Sourced at 935m and considered the only example of this varietal wine in the region. 10% whole-bunch incorporated into an open-top ferment, before transfer to a 3800l foudre for maturation. The result is a morass of ripe red berry fruits, morello cherry and root spice, offering a whiff of savouriness behind the sweet extract. Sappy. Mid-weighted and gentle. Best drunk on the cooler side."

Ned Goodwin MW, Halliday Wine Companion '21

2019 'Topography' Pinot Gris "Special Value"

"A mottled onion skin hue, indicating a hands-off approach in the winery to a variety that is too often filtered to within an inch of its life. This, sourced from a vineyard at 620m, is mid-weighted and vibrant across an effusive chord of tangerine, baked apple, orange blossom, ume and loganberry. The wine broadens with air, staining the cheeks with a sappy intensity. A lovely drink."

Ned Goodwin MW, Halliday Wine Companion '21

2016 'Topography' Shiraz

"Polished, with a sinew of astringency balancing the cavalcade of plum, blue fruit and anise notes. Very ripe, yet not OTT, the extraction is handled with aplomb and the 28 days spent on skins the wine's saving grace. An attractive tail of white pepper acidity, clove and cardamon sweep up the tail."

Ned Goodwin MW, Halliday Wine Companion '20

RICCA TERRA

In 2003 Ashley and Holly Ratcliff purchased a small 8Ha vineyard in the Riverland, South Australia. The vineyard was called Ricca Terra (Italian for Rich Earth). The soils found throughout the vineyard are red earth over limestone, which have the reputation for being very fertile. The vineyard purchased was planted to Chardonnay, Cabernet Sauvignon, Ruby Cabernet and Sultana. Ashley and Holly's primary intent after purchasing the vineyard was to plant grape varieties suited to Australia's warming and drying climate (Chardonnay was not one of these grape varieties). Their second intent, was to manage their vineyards in a manner that would produce high quality wines. This resulted in the elimination of machine pruning and harvesting in many of their vineyards, which is a common occurrence throughout the Riverland. Today Ricca Terra's spread of vineyards is in excess of 80Ha, and one of the largest producers of climate adaptive grape varieties in SA. Ashley and Holly's vision to evolve a traditionally planted vineyard into one that could adapt to extreme climatic changes goes beyond just grape variety selection. The use of drought tolerant rootstocks, soil surface mulches, soil moisture monitoring probed and smart viticulture management are all playing their part in building a vinevard for the future!

2020 'Juicy June' Negromaro Grenache "Best Buy Wines \$35 and Under" "Utterly delicious"

"A brilliant, light, fresh red, all crunchy and tangy, built for warm days and drinking straight from the fridge. It's a clever blend of negroamaro and grenache, marrying the vitality and cranberry tang of the former with the perfume, juiciness and spice of the latter. It reeks of cranberry and pomegranate; flavours are sweet, sour and vibrant. 'Thirst-quenching' is a good phrase, and the wine should be drunk at the height of summer and in its youth. Utterly delicious."

ST BRIOC WINE

CO.

Smidge Wines is the private label of one of Australia's most exciting wine making talents, Matt Wenk. While he is best known for his role as Chief Winemaker at the highly acclaimed Two Hands, Smidge Wines continue to show Matt's talent for finding outstanding vineyards that consistently deliver remarkable fruit, and transforming them to unique, small volume, world class wines. Wenk has become internationally celebrated in winemaking, with a globally-unmatched achievement of 10 consecutive spots in Wine Spectator's Top 100, including five positions in the top 11 and a number two position.

Smidge Wines' hand made barrel selected philosophy is fundamental to its enduring reputation. Under the watchful eye of founder and winemaker, Matt Wenk, the wines are continuously tasted, carefully matured and a destination blend selected to capture a fruit and oak signature that is unique and sought after. With this DNA, Matt has launched the St Brioc Wine Co. Named in honour of his wife's rural early childhood home, it combines her memories of family, innovation, history and diversity, with Matt's winemaking experience.

Lemon myrtle, vanilla slice and lime
skins. Loads of grapefruit and lemon
freshness on the palate - characters
of a very cool site - serious line and
length. Fruit allowed to show its best."

Spring Seed Wines are made from grapes grown in the Bosworth family's organic vineyards, located to the south of the McLaren Vale wine region, in the southern foothills of the Mount Lofty Ranges, some 7km due west of the sea. The vineyards lie at about 130m above sea level.

The vineyards were established in the early 1970s by Peter and Anthea Bosworth, and are now owned and run by their son Joch (and partner Louise Hemsley-Smith), who began the conversion to organic viticulture in 1995. The vines are fully certified organic by Australian Certified Organic (ACO P/L), a process that takes four years and involves yearly audits and random sampling of produce.

The Spring Seed Wine labels are unashamedley inspired by vintage flower seed packets created at the turn of the last century. The colour, clarity and beauty of the original seed packets are guite remarkable. Joch and Louise chose three different flower images to adorn each one of their McLaren Vale wines, simply because they are guite lovely.

Joch Bosworth also makes Battle of Bosworth wines using grapes from their organically grown and certified vineyards.

Stage Door Wine Co has been the result of a long work-in-progress. A privately owned South Australian wine business, founded in 2013 by Graeme Thredgold, whose long history in both music and the brewing/wine industry inspired this range. STWCo takes the passion and flair of the music and wine industries, and combines them to produce a range of premium wines with individual expression of place and time. The fruit for the label is sourced predominantly off the family vineyard in the Eden Valley as well as selected single vineyards in the Barossa Valley.

Stage Door Wine Co

2016 'Headliner' Shiraz

"97 points + Special Value"

"Matured for almost 2 years in French hogsheads (40% new). An impressive follow-on from the '15, with an unusual lacquered palate of a panoply of black fruits and spices. It flows evenly and without hurry along toasty oak without a breath of alcohol heat, the cedary aromas and flavours of the French oak slotting into the finish and aftertaste. This wine has had balance from the word go, its long term future gold-plated." James Halliday, Halliday Wine Companion '19

2015 'Headliner' Cabernet Sauvignon "95 points"

"Has the same felicitous oak handling as its Shiraz sibling, even staring down the challenge of cabernet sauvignon. Mind you, it is a powerful cabernet, with a depth and range of cassis/blackcurrant/mulberry flavours tied to its bedrock of tannin, and does need patience."

James Halliday, Halliday Wine Companion '18

2018 'White Note' Grüner Veltliner One of the top Grüner Veltliners of the Young Gun of Wine blind tasting

"This was Maisano's top wine, with Puhar also including it in his top-six list. "An unctuous grüner with signature dried herbs, white pepper and fennel seeds. Lively acidity, body and minerality drive the finish. Great expression," wrote Maisano. (...)."

"95 points"

"From the Bantry Grove vineyard, 1000m above sea-level, this is a blend of 60% chardonnay and 40% pinot noir with a dose of 7g/l, fermented with the traditional method and a dash of older wood. The base is constituted with fruit from '13 having spent 4 years on tirage. The result is filigreed and fresh, with a leesy depth and fine detail across delicate mousse, Granny Smith apple and citrus notes. The mineral quotient drives the finish long and palpably very dry. Exceptional."

Ned Goodwin MW, Halliday Wine Companion '20

Twice "Runners Up", "Sparkling Wine of the Year Under \$50" Tyson Stelzer's Australian Sparkling Wine Report '17 + '18 "Top Australian Sparkling Wines"

"(...) It starts with a fine nose, showing ripe apple and nice complexity, plus a hint of aldehyde. Lacey thought the flavours were "rich, honeyed and mouth-filling, with a pithy texture". That texture adds to the dry finish but there's deft use of dosage to match it and the length is good. I loved its depth of flavour and balance. It was the best wine of show at the recent Orange Wine Show."

2019 Fiano	14.51	6 pk	
2019 Pinot Beurot	14.51	6 pk	
2018 Dolcetto	14.51	6 pk	NUOVO STYLE
2018 Sangiovese	14.51	6 pk	

2019 Fiano

Fiano from the Burrowes vineyard was hand picked and whole bunch pressed with only the free run juice kept for fermentation. Cool fermentation in stainless steel tank with light fluffy lees to keep freshness and pure varietal expression over approx 30 days. The wine was kept on lees with weekly stirring until bottling in October. The intense, perfumed and ripe Fiano flavour profile is a hallmark of this standout vintage. This wine displays the depth and balance for which this variety has developed a cult following. On the nose it displays aromas of hazelnuts, guava and subtle marjoram spice. Wrapping around a core of chalky minerality are flavours of nectarine, guava and melon. Bringing it all together is a lemon pith, bitter almond character that complements the wickedly savoury and textured finish. Drink now or be rewarded with cellaring for up to 10 years.

2019 Pinot Beurot

Pinot Beurot (the Burgundian word for Pinot Gris) from the Glenmore Springs vineyard. Hand picked before whole bunch pressing direct to oak with only the free run portion kept for fermentation. Wild fermented slowly at cool temperatures in new and older very tight grained French oak called Demi-muids holding 600L. Matured on yeast lees for 8 months with weekly stirring, allowed the wine to remain fresh, while providing texture and mouthfeel. Intense aromas of cumquat, apricot and pear along with apple blossom florals, ginger spice notes and lightly toasted elements. A round and creamy entry on the palate opens up with flavours of peach, honeydew, cumquat and quince against a backdrop of biscuit and pistachio nougat. Excellent power and length, a pithy textural mouthfeel with balanced acidity and a long persistent finish.

2018 Dolcetto

The grapes were picked in the early morning, destemmed and then crushed to a static fermenter. The fruit was cold soaked for three days with light pump overs keeping the cap fresh. Slow fermentation on skins with a peak at 30°C with twice daily pump overs. Once pressed off skins, MLF fermentation at 22°C took place for about 6 weeks in concrete vats. The wine was kept on lees with no sulphur for maturation in the concrete vats until late January which allowed the wine to remain fresh, while providing texture and mouthfeel. Aromas of black cherry, fruitcake and fragrant wild herbs. Flavours of black cherry and liquorice define the palate along with intriguing fine bitterness. A medium to full bodied wine that is textural and multi layered, balanced with chalky acidity.

2018 Sangiovese

The grapes were picked in the early morning, destemmed and then crushed to a static fermenter. The fruit was cold soaked for three days with light pump overs keeping the cap fresh. Slow fermentation on skins took place over 20 days with a peak at 30°C with twice daily pump overs. Once pressed off skins, MLF fermentation at 22°C took place for about 6 weeks in concrete vats. The wine was kept on lees with no sulphur for maturation in the concrete vats until late January which allowed the wine to remain fresh, while providing texture and mouthfeel. Aromas of cherry, plum and thyme are supported with lifted black spice notes. Flavours of plums, cherry and fig define the palate along with integrated fine grained tannins. A medium to full bodied wine that is textural and multi layered, balanced with bright acid.

Established in 2013, Santa & D'Sas is a boutique winery collaboration between the Santarossa and Di Sciascio families.

The King Valley is one of Australia's most exciting, emerging wine regions and is located in North East Victoria, approximately three hours north of Melbourne and seven hours south of Sydney. Home to picturesque and unspoilt environments, the King Valley benefits from a cool climate with extremely varied terrain, that ranges from snow-capped Alps to sun baked fields.

The Italian bias in the King Valley (often referred to as 'Little Italy') has become renowned for its Prosecco, Pinot Grigio and Sangiovese wine styles as well as lesser known alternative grape varieties that are allowed to reach their full potential with imaginative winemaking.

NV Prosecco

Using 2017 base wine as the starting point up to 5 previous vintages of base wine have been used to achieve a complex and consistent wine. The blended base wine was Charmat fermented slowly at 12°C with the natural CO2 produced being retained in the wine.

After completion of the secondary fermentation the wine was chilled and filtered off yeast lees.

At this stage, the wine received a small addition of expedition liquor to provide the final balance and structure.

King Valley and Swan Hill, Victoria Established in 2013 Made by Andrew Santarossa + Matthew Di Sciascio www.santandsas.com.au

2017 Sangiovese Rosato	13.87	6 pk	KING VALLEY
2019 Merlot	13.87	6 pk	KING VALLEY

Moscato

A true Moscato d'Asti style that is fresh, aromatic and delicate with a fruitiness that is balanced by acidity and spritz.

Pinot Grigio

This Pinot Grigio has been made to reflect the Italian expression of this variety. Aromas of fresh yellow pear, quince and ginger. Flavours of Nashi pear, green apple and fresh almonds with lime and quince notes. A bright acid backbone supports the fruit, leading to a crisp and clean finish.

Sangiovese Rosato

A fresh, textural and dry style of Rosato using Sangiovese as the base variety and small amounts of Shiraz, Dolcetto and Pinot Noir. A vibrant nose of raspberries, tangerine and rose petal with exotic spice. Intense flavours of sweet cherry, raspberries, red currants and pink peppercorn.

Merlot

Ah, poor old Merlot. A grape variety that has been derided in Hollywood movies and excluded from wine lists across Australia. Despite this it is one of Australia's favourite red varieties. If you look past the rumours and accusations you'll find that Merlot has never been in better shape in Australia than it is today. Exciting Merlot from the King Valley are helping to reshape our perceptions of this grape varietal.

2019 Moscato

"(...). Quite delicious, really."

"Full fuchsia-pink colour with a vigorous froth of bubbles. The wine is very sweet and grapy in the mouth, creamy-soft in texture and almost fluffy in its mouth-feel. It finishes sweet and toffee apple-ish, which is to say very likeable. Quite delicious, really."

Huon Hooke, The Real Review, Dec '19

NEW WINERY

Terra do Rio – meaning Land of River – is an estate grown vineyard located in South Australia's Riverland. This six hectare rare vineyard has been dedicated to the exploration of Portuguese and Iberian Peninsula grape varieties. The vines and wines are hand pruned, hand harvested and handmade.

White Field Blend

A mix of Arinto and Verdejo (not to be confused with Verdelho). In Australia, Arinto is relatively unknown with only a handful of plantings. This white Portuguese variety is hardy and capable of withstanding extreme warm weather. Verdejo makes subtle wines with flavours of citrus, grass, fennel and blossoms. This Field Blend is fragrant with aromas of snow peas and green almonds leading on to a palate which is initially fresh before evolving in to a lovely medium-weight and texture with great viscosity and length.

2020 Rosé

"Touriga nacional and tinta barroca, of course, make up this rose from Ash Ratcliff of Ricca Terra Farms, a place, mea culpa, I haven't visited but is so high up on my list to do so. Juicy yet dry and savoury style rose. Leads with light, fruity scents, red berries and spice kind of deal, the palate twists on a corkscrew of saline acidity and powdery tannins. Very refreshing as well. Charm and flavour in spades. One to sink the teeth into."

V = VEGAN

Red Field Blend

The Tinta Barrocca and Touriga Nacional were harvested on the same day and co-fermented with wild yeasts in old French oak, then blended with Tempranillo. A rich and earthy wine.

Tinta Barroca

Tinta Barroca is a commonly planted Portuguese red grape variety and is one of the five officially recommended varieties used to make port. It is rarely made into a single varietal wine. It is a large berry and bunched variety, but its loose clusters avoid issues with bunch rots. Intentionally picked at a low Baume to add another level of interest and complexity, producing a fresh, low alcohol red of 11% a/v. Very fragrant and perfumed, soft, fresh and moreish with flavours of blueberries, mint and plums.

Tinta Cão

Tinta Cão is a premium red grape which translates to 'Red Dog' and it is a variety that tends to low be low yielding and tolerant to fungal disease. Vibrantly coloured, fragrant and juicy with fine tannins.

Tim Adams

Owner and winemaker, Tim Adams, began his career in the wine industry as a cellarhand at the Stanley Wine Company in 1975, steadily working his way through the ranks to become winemaker in 1981 following graduation. The first inclination to leave came in 1985, when Tim and his wife were approached by local cooper Bill Wray to form a partnership of the two families to make wine and small oak casks. The first wines under the Adams & Wray label were released in September 1986, by which time Tim had left the Stanley Wine Company. In May 1987 the Adams & Wray partnership was dissolved, and Tim and his wife Pam took full control of the renamed Tim Adams Wines. In late 1987 they purchased the existing winery site and opened the cellar door in January 1988.

2019 'Skilly Ridge' Riesling

The Skilly Ridge vineyard, planted by the Ingham family in 1994 produces an array of exciting varietal characteristics from each of the different planted varieties. Much thought was given to where each variety would be planted, and this saw the Riesling block thrive on a mixture of clay, loam and shale with an ideal easterly aspect.

The 2019 Skilly Ridge Riesling has floral and citrus aromatics and a seamless palate with a richness of flavour built from the dry ripening conditions of the vintage. Produced using only free-run juice, fruit flavours are kept pure and the resultant wine mirrors the berries tasted in the vineyard at harvest.

2020 Riesling

"94 points"

"This is a cracking good riesling from one of the best makers in the Clare Valley. Incredible intense and powerful hit of citrus on the nose and then into the palate. Bath salts and lemon with a little edgy minerality. The acid sits harmoniously within and supports an extended finish. Excellent wine."

Ray Jordan, The West Australian, Feb '21

"93 points"

"Ever-reliable riesling from an ever-reliable region. Weight, impact and intensity. There's a bit here to make you sit up and take notice. It tastes of lemon, lime leaf, slate and chalk, though the game here is all about the serious wash of fruit flavour. It's a good release: I'm on the cusp of 93, rather than 91, if that makes sense."

Campbell Mattinson, The Wine Front, Oct '20

2020 Pinot Gris

"Best of the Best 2021", "Top Drops \$25 or less"

"Tim Adams is one of the Clare's most consistently great winemakers and this wine has all the hallmarks of his mastery of the craft. It has marvellous viscosity, is intense and powerful yet has finesse and purity of flavour. There are apple and pear characters, impressive depth, a savoury feel and a pristine dry finish of considerable length."

Peter Forrestal, Money Magazine, Nov '20

"(...) very intense, fresh and lifted..."

"Very faint pink-tinged colour. The bouquet is very intense, fresh and lifted, confectionery, iced-pastry aromas, the palate fresh and bold, with good fruit concentration and length, the finish cleanly dry and pleasantly firm."

Huon Hooke, The Real Review, Aug '20

"Summer guencher"

"Clare Valley winemaker Tim Adams was one of the first in Australia to grasp the potential of pinot gris/grigio and is one of the leaders when it comes to the style. This has pear, lychee and white peach fruit notes to the fore and is best enjoyed when chilled and still youthful. This would pair well with a chicken and cashew nut stir-fry." Winsor Dobbin, Ciao Magazine, Jan '21

Owner and winemaker, Tim Adams, began his career in the wine industry as a cellarhand at the Stanley Wine Company in 1975, steadily working his way through the ranks to become winemaker in 1981 following graduation. The first inclination to leave came in 1985, when Tim and his wife were approached by local cooper Bill Wray to form a partnership of the two families to make wine and small oak casks. The first wines under the Adams & Wray label were released in September 1986, by which time Tim had left the Stanley Wine Company. In May 1987 the Adams & Wray partnership was dissolved, and Tim and his wife Pam took full control of the renamed Tim Adams Wines. In late 1987 they purchased the existing winery site and opened the cellar door in January 1988.

"Best Wineries of the Regions" + "5 black stars" Halliday Wine Companion '19, '20 + '21 "Top Wineries of Australia" Huon Hooke, The Real Review '18, 19 + '20

2016 Cabernet Malbec

"94 points + Special Value"

"In excellent form. Fluid, characterful and soft but with the inherent structure to last. Red and black berries, gum leaf, vanilla and violets. Leathery, leafy characters too. As soon as you open it you know you're onto something good. Terrific value."

Campbell Mattinson, Halliday Wine Companion '21

2012 'Reserve' Cabernet Malbec

"Deepish red/brick-red colour, with a developed raspberry fruit and strongly coconut-oak bouquet, charming and ripe with some cabernet blackcurrant and mulberry and a hint of earthiness. The tannins are firm, the structure excellent. A slightly oaky but big, brawny, regional blend, which has lots of appeal. It will cellar long-term."

Huon Hooke, The Real Review, April '18

2016 'Ladera' Tempranillo "96 points"

"This is a marvellous single vineyard wine from the Clare Valley. Incredible depth of fruit with a mix of dark cherry and blackberry fruit. The palate is multilayered with a decent mix of dried herbs and dark chocolate adding their part. It has had two years in new and two-year-old French oak. An outstanding example of the variety."

Ray Jordan, The West Australian, Sept '20

2016 'Fergus' Grenache Tempranillo Malbec "Best Buy Wines \$25 and Under."

"A charming, finely balanced blend of grenache, tempranillo and malbec whose dusty fragrance of spicy red and blue berries reveals nuances of dark chocolate, mint, graphite and ironstone. It's soft and medium-bodied, with a brightly lit core of juicy dark berries underpinned by a supple, loose-knit spine of powdery tannin. Just starting to reveal the beginnings of earthy, leathery development, it finishes long and minty."

Jeremy Oliver, Gourmet Traveller Wine, Feb/March '21 "Honest to goodness drinking..."

"Honest to goodness drinking right here. Bold red of inky colour, dark berry fruitiness, a riot of spice, some choc-mocha tannins and a generally slurpable feel. It feels warm and ripe, dense and bold, but manages a sense of good freshness too. Uniquely styled and done well in that way."

Mike Bennie, WBM Jan/Feb '21

2014 'Schaefer' Shiraz

"Top Rank"

"(...). Well-built for ageing and definitely not showing any of its six years to now. Lovely finish of savoury earthen notes and fine tannins"

Stuart Knox, The Real Review, Aug '20

Fun, Cheeky, Sassy, Adventurous... Introducing Zonte's Footstep. A proudly independent, innovative and free-spirited wine business. We produce wines just like us: lively, bold and full of spirit. Our grapes are adventurous in style and region, being sourced from McLaren Vale, Barossa, Langhorne Creek and the Adelaide Hills.

We take pride in our wines, from the ground up to the moment they are opened and consumed. We make sure that everything is handled with care to offer authentic, high-quality wine – the most expressive we can put to bottle.

V = VEGAN

Organic Sauvignon Blanc

All components were kept on yeast lees as long as possible until blending, adding greater flavour and softness. Typical aromas of tropical fruit, passionfruit and lime show through on the nose. It has great minerality and drinkability due to the freshness on the palate. The tropical fruits continue on in the mouth with hints of melon and citrus which adds great length of flavour.

Organic Pinot Gris

Being a dryer style (6g/L residual sugar) it has a great drinkability due to the freshness on the palate. Pear and citrus notes with crisp acid backbone and length of flavour.

Organic Pinot Noir

The grapes were crushed to different fermenters allowing a range of components for blending. The wines were plunged daily allowing the soft tannins to emerge in the wine. All components were aged in oak until blending which added greater flavour and softness to the wine. Ripe cherry and mocha flavours, fine tannin structure with a soft mouthfeel and good length.

CERTIFIED ORGANIC

Marlborough, New Zealand Established in 2006 Made by Chris Darling + Bart Arnst www.littlegoatcreek.com

Deep in the south of New Zealand and surrounded by mountain ranges is Central Otago, a continental climate of hot summers and long cold winters and in small pockets of the region the combination of microclimate and unique soil conditions are perfect for growing the fickle Pinot Noir grape. Lowburn Ferry is the area surrounding an historic ferry crossing over the mighty Clutha River. A picturesque lake now occupies the ferry site at the base of the Lowburn Valley and vineyards abound on the surrounding glacial terraces.

\$ LUC PACK NOTES

v 2019 'Home Block' Pinot Noir 56.60 6 pk NEW VINTAGE AND LABEL

V = VEGAN

The Home Block sits beneath the magnificent Pisa Range in one of Central Otago's most unique vineyard parcels. The rich soil derived from sensitive human cultivation over more than 150 years produces distinct characteristics in the wines, which are expressed through natural viticulture and winemaking techniques. These soils and the sheltered location help to create exceptional wines that have balance, harmony, complexity and depth of character.

'Home Block' Pinot Noir

An expression of the terroir from Lowburn Ferry home farm. The vineyard is planted to 100% Pinot Noir, of roughly equal mix of clones 115, 5, 667, 777, with a small area of Abel clone. The vineyard is established on terraces that were in pasture for more than 100 years. Hand harvested and destemmed into tanks to undergo fermentation by a mix of selected and wild yeast. Peak fermentation was 30°C. Total time on skins was approx 20 days. The wine was aged in French oak barriques for around 10 months, of which approximately 27% was new oak.

Deep garnet with plum hues. Fragrant with boysenberry, raspberry, mulberry and red plum with chocolate, toffee and violet notes. Concentrated and long with blueberries, blackberries and liquorice. Generous weight on the mid palate, silky tannins and a nice vein of acidity leading to a long mineral finish.

Lowburn, Central Otago, New Zealand Established in 2000 Made by Steve Smith MW, Huw Kinch and Nick Paulin www.lowburnferry.com

Munamuna means 'to be secret' or 'covert' in New Zealand's native Maori language. Hidden in the heart of Marlborough are the vineyards that make up this classic wine. For years people have been trying to find us, even in tiny boats lurking in local inlets.

What they can tell you is the fruit is from the Wairau Valley in the Marlborough region and is made by successful winemaker, Chris Darling.

\$ LUC PACK NOTES

Organic Sauvignon Blanc

Parcels of wine were selected for blending that produced a varietal and classic Sauvignon Blanc. Classic aromas of tropical fruit, passionfruit and lime show through on the nose. The tropical fruits continue on in the mouth with hints of Melon and citrus which adds great length of flavour. This wine will drink well anytime complementing white meats, salads and seafood.

Chris Darling

Originally from Australia, Chris Darling has worked with both large and small wine companies throughout the world including Australia, New Zealand, France, Greece and the Czech Republic.

In 2003 Chris headed to Marlborough New Zealand with a vision of creating great cool climate organic wines and now has his own multi award-winning organic vineyard, The Darling, as well creating the run-away success wines of Little Goat Creek. Additionally Chris is Senior Winemaker and Site Manager for a number of major New Zealand wine estates.

munamuna Sauvignon Blanc

CERTIFIED ORGANIC

Marlborough, New Zealand Established in 2008 Made by Chris Darling

Chris Darling and Bart Arnst teamed up in 2007. After making great wine for other people they decided to make great wine for themselves. Organics was the obvious choice. With Bart being the leading organic vineyard consultant of New Zealand and Chris with his international winemaking experience. They source grapes solely from organic vineyards of New Zealand and are able to have full control over the process. The health of the soil and vines all leads to making wines that have depth and texture.

CERTIFIED ORGANIC

Marlborough, New Zealand Established in 2007 Made by Chris Darling + Bart Arnst www.thedarlingwines.com

Ever since Alex Maccan purchased Vigneti Le Monde in 2008, he has had only one objective in mind - to breathe new life into it. When he purchased the Estate, the winery was in need of modern management driven by strong passion and based on a clear vision. Moreover, considerable investment was needed to upgrade the facilities, machinery and revitalise the land. Pursuing his dream of owning a winery in Friuli and having recognised the Estate's enormous potential, Alex, with the support of his team, set about renovating Vigneti Le Monde with an energy and enthusiasm that gave him a new lease of life. The 100 hectares of vineyards, with some of the vines planted almost 40 years ago, feature a rich combination of clay and limestone, which differ from the more gravelly soils generally associated with the surrounding areas. For this reason, the soil at Vigneti Le Monde can be considered a genuine 'Cru'.

The vineyards feature rich soil able to produce wines that age well and are managed using the Guyot and cordon spur method of training, the perfect system for producing high quality wines. In Friuli strict wine production techniques are still rooted in the local culture, which is invaluable for anyone who wants to produce high quality wines whilst respecting and getting the best from nature. The winery uses state-of-the-art technology that respects man and nature to consistently offer wines that are seductively simple and elegant.

"We don't do what we do for the plaudits of our profession. If critics endorse our products, that's great news, but truly, we do what we do at Le Monde for all wine drinkers - for everyone - for the people." - Owner, Alex Maccan.

Le Monde is SQNPI certified. Sistema Qualità Nazionale Produzione Integrata means Integrated Crop Management National Quality System, a certification of sustainable farming. Vigneti Le Monde use renewable energy sources and do not use weed killers.

V = VEGAN

Winemaker, Giovanni Ruzzene, says: "As a winemaker I don't seek to overcomplicate the process. We may experiment along the way, but a great wine comes from the ground - not the lab! My aim is to produce easy drinking, interesting wines, surprising and perhaps a little bit quirky in their Friulian simplicity."

Pinot Grigio DOC

A 25 year old vineyard in DOC Friuli Grave where the soil is clay-based, calcareous and rich in micro-organisms. 72 hours pre-fermentation cold maceration, soft pressing of the grapes, fermentation at a controlled temperature and later matured in steel basins for several months. Fine and elegant with a sharp bouquet and persistent floral notes. Flavours of white fruit on the palate give distinct freshness and tastiness.

Pinot Bianco DOC

A 30 year old vineyard in DOC Friuli Grave. 36 hours pre-fermentation cold maceration, soft pressing of the grapes, fermentation at a controlled temperature and later matured on lees for several months. Aromas of exotic ripe fruit, white peach and notes of sweet spices. Smooth and warm in the mouth while also enveloping, balanced and rich in aromas.

Friulano DOC

Subtle and delicate, it is enriched with balsamic notes and wild flowers, which make for a complex bouquet. Fresh, piquant, dynamic, and well balanced. A surprisingly good match for Asian cuisine.

Ribolla Gialla IGT

Pronounced ree-bohl-lah jahl-lah, this is an intense and scented wine with floral hints and a delicately grassy note. Fresh and polished on the palate, with a confident balance between acidity and rich flavour. From the IGT (Indicazione Geografica Tipica) Venezia Giulia, which covers the region's four eastern provinces: Gorizia, Pordenone, Trieste and Udine.

Refosco DOC

Refosco dal Peduncolo Rosso, simply referred to as Refosco, is bold ruby red in colour with purplish tinges. The aroma is pervasive, with warm notes of ripe red fruits and elegant spiciness. Graceful and sophisticated, it seduces from the first sip, with a perfectly harmonious balance of body, mineral notes and compact, silky tannic texture. Fermented in stainless steel to retain freshness.

Cabernet Franc DOC

A 34 year old vineyard in DOC Friuli Grave. Careful grape selection and thorough inspection during the pressing phase, followed by slow fermentation at a controlled temperature with daily plunging for 15-20 days. 15% is fermented in second use Taransaud French oak barriques of various toastings and 3000 litre Garbellotto foudre, then aged for 6-8 months before blending with the remaining wine. Displays a rich, persistent bouquet with an intense aroma of jam, supported by balanced intensity.

Mastroberardino is one of the leading wineries and wine families in Italy in terms of production, market impact and innovation. This is one family with a winemaking history dating back to the early 18th century, and which is largely responsible for the viticultural success of Campania's remote Irpinia area, successfully turning would-be extinct grapes into world class varieties. The family estates are all located in Irpinia, in the heart of the areas of production of the three DOCGs: Greco di Tufo, Fiano di Avellino and Taurasi. Today Mastroberardino's production has grown to 16 wine estates across Campania.

"The first evidence of Mastroberardino in the current headquarter in Atripalda, at the gates of Avellino, date back to the mid of the 1700. Since then, through ten generations without interruptions, my family has been acknowledge as the champion of the autochthonous grape of Irpinia and Campania, and a reference poir of the Italian oenology and winegrowing. Our commitment has always been focused on the care and enhancement of varieties such as Aglianico, Fiano, Greco, Falanghina, Piedirosso, Coda di Volpe, whose origins date back to the Greek colonization and the Roman civilization."

Piero Mastroberardino, Mastroberardino President and 10th generation estate custodian

2017 'Redimore' Irpinia Aglianico DOC

"Beautiful and complex southern Italian red with plums and earth and hints of cedar on the nose and palate. Medium body. Soft tannins. Fresh finish." James Suckling.com, Nov '19

2015 'Radici' Taurasi DOCG "96 points"

"A benchmark for Aglianico, Radici was first produced in 1986. A wine to age for decades, yet surprisingly approachable now. Great density with concentration and depth. Aged two years in oak and two in bottle, this has intense, pure fruit allied to subtle oak, fine tannins and elegance. Some smoky, mineral flavours starting to appear. Ultra refined. A wine with real sense of place."

Andy Howard MW, 'Aglianico focus: Is it the Nebbiolo of the south?', Decanter, April '20 "96 points"

"I love the spicy and lifted notes here of caramelized orange peel, dried meat, black-currants, pomegranate, sea urchin and bark. A seamless and wonderfully elegant, medium-bodied palate follows with finely grained tannins and loads of floral undertones. This wine is all about transparency and subtlety. Best Radici in years."

James Suckling, JamesSuckling.com, June '19

2014 'Radici' Taurasi DOCG

"...profoundly elegant and savoury..."

"(...) lots of ripe liquorice-black, sunlight-soaked fruit, but is also profoundly elegant and savoury, with sooty, mouth-coating tannin and amazing earthy length. It's easy to see why Piero Mastroberardino predicts it will live for 50 years or more in the cellar." Max Allen, Australian Financial Review, Oct '18

2012 'Radici' Taurasi Riserva DOCG

Gourmet Traveller Wine Top 12 Aglianicos

"Mastroberardino is one of the world's benchmark aglianico produers. This is a joyful wine with a fragrance of dried tea leaves, purple flowers and black cherry. Finely etched acid and tannins frame a tense palate of dark fruits and iodine with graphite like minerality."

Dom Sweeney, Gourmet Traveller Wine, April/May '21

\$ ILLC DACK NOTES

The Fratelli Nistri winery is one of the oldest in Tuscany, dating back to 1865 when Francesco Nistri set up a wine business in Mezzana, on the outskirts of Prato. Today Fratelli Nistri is run by Massimo and Fabrizio Nistri (fifth gen). The winery's central office is still in Prato, near the original founding place, but in 2006 operations moved to Greve in Chianti, in the Chianti Classico production zone. This move along with notable investment in winery and production infrastructure have lifted quality significantly.

\$ LUC PACK

2017 Fratelli Nistri Chianti DOCG
 15.05 6 pk
 Sangiovese, Cabernet Sauvignon, Merlot, Caniaolo

2016 Vignole Chianti Classico DOCG 23.65 12 pk Sangiovese, Merlot

V = VEGAN

Fratelli Nistri Chianti DOCG

90% Sangiovese, 10% Cabernet Sauvignon, Merlot and Caniaolo. Classic Sangiovese dominance made in a modern style – bright cherries, lifted and pure. Soft integrated tannins and fresh acidity make it a great food wine. Cabernet and Merlot play subtle roles of fruit density and mid palate weight.

Vignole Chianti Classico DOCG

Vignole is a single vineyard estate in Chianti's Panzano Cru, the first Cru in Europe to be certified organic – all 20 or so producers, including Vignole, are practicising organic viticulture, which is quite amazing. The estate was bought by Fabrizio and Massimo's father in the 1970s and renovated in the 1990s with close density planting. This artisanal, limited-release wine is made from selected estate-grown handpicked grapes (85% Sangiovese, 15% Merlot) which are fermented separately in concrete vats, with maceration on skins for 15 days. The wines are aged separately 12 months in French oak, Sangiovese in medium casks, Merlot in smaller barrels. 12 months bottle aging before release.

Chianti, Tuscany, Italy Established in 1865 www.nistri.it

The Pico Maccario winery dominates the largest single-block vineyard in Piedmont. Seventy hectares (175 acres) in one single piece makes the vineyard a true rarity.

V = VEGAN

Brothers, Pico and Vitaliano Maccario, run this estate created by their grandfather, Carlo. Pico Maccario, the eldest brother, devotes himself to the production of the wine, while Vitaliano handles the marketing and commercial aspects of the business. They are highly demanding of themselves and have an exact idea of the efforts necessary to achieve the excellent results they obtain.

Made from 100% Barbera grown on the soft Pleistocene hills formed from fluvial and river lacustrine deposits, the grapes are picked at optimum maturity, gently crushed and macerated for 10 to 12 days. Ageing takes place in steel vats for 9 months (no oak), during which time many different decantations are done before bottling and further ageing in bottle before release in spring. The colour of the wine is ruby red, the aroma intense and charming, with cherry, plum and red berries. The palate is complex, well-structured, harmonious and long.

2018 'Lavignone' Barbera D'Asti DOCG

"Aromas of violet, underbrush and cooking spice emerge from the glass. The savory palate offers black cherry, raspberry jam and star anise alongside smooth tannins and bright acidity." Kerin O'Keefe, Wine Enthusiast Magazine, Dec '20

Asti, Piedmont, Italy Established in 1997 Made by Pico Maccario www.picomaccario.com

INT3GRAL3

NFW WINFRY

INT3GRAL3 WINE is a wine project born out of vineyards located in the Asolo Hills near Treviso, and in the Euganean Hills near Padua. The Euganean Hills are a beautiful territory in the middle of the Dolomites and the Venice Lagoon. The hills are formed by a volcanic soil where these grapevines grow and bear fruit of white and red ancient indigenous varieties.

2020 Soave DOC

18.81 12 pk NEW VINTAGE
2018 Soave Classico DOC 'Le Bine de Costiola' 23.65 6 pk NEW VINTAGE

The 34 hectares of vineyards are planted to 100% Garganega (27 hectares of Soave DOC and 7 hectares of Soave Classico) and lie in one of the most classic zones of production which is San Vittore, at the foot of the hills, where they produce Soave DOC from the zone of Costeggiola from which Tamellini produce their single vineyard 'Le Bine'. Disease and pest control are carried out only when necessary using environmentally friendly products such as Bordeaux poultice and dry sulphur products. No type of herbicide is used, only the grass is mown. No mineral or organic fertilisers are used.

2019 Soave DOC

"(...). An exemplary Soave."

"Medium to light, bright yellow colour leads into a creamy, smoky-lees bouquet, with some reduction initially, while the palate is crisp and very vibrant, with mouth-watering acidity and crispness, the mid-palate blossoms with lovely ripe floral and stone-fruit flavours, moving into a softly lingering, satisfying aftertase. Delicious flavour and balance. An exemplary Soave."

Huon Hooke, The Real Review, April '21

Soave, Verona, Italy Established in 1998 Made by Paolo Caciorgna www.tamellini-wine.com

The story of Poggiotondo began in 1968 with Carlo Antonini, teacher, beekeeper and passionate about agriculture, bought the properties historically belonged to the Conti Guidi, an ancient noble family who owned lands in Tuscany and Emilia Romagna, and has given the village its name, Cerreto Guidi in the Medioevo. The great passion of Carlo Antonini for viticulture was transmitted to his son, Alberto, who, together with his wife Alessandra, aims to valorize the territory in to the respect of Tuscan wine growing tradition.

Poggiotondo is located in the western part of Chianti, on the hills that connect the Montalbano with the Arno Valley. This region is more directly influenced by the Mediterranean, which gives Poggiotondo a milder climate than others in Chianti. This slightly maritime Mediterranean climate, calcareous soil, organic farming of the 28 hectares of vines (some at 100m above sea level), the focus on native grapes such as Sangiovese, Canaiolo, Colorino and a small part of Trebbiano as per the original 'Chianti Recipe', are the ingredients for real wines with great vitality and purity. A few years ago Alberto decided to move back to traditional vineyard management and stopped using synthetic chemicals (herbicides, chemical fertilizers, systemic spraying agents etc) in order to regenerate the soil and make it 'alive'.

2015 'Terre de Cresci' Chianti Classico DOCG

"(...). This is gently developed, well balanced, firm, dry and immensely drinkable. It's all leather, cherries and fragrant herbs, perhaps with licks of star anise and iodine, but it's the fragrance and the overall dry-but-flowing feel of it that makes you want to keep tucking in. Oh, and by 'gently developed' I mean fully mature; this is ready now, though it will sail on in this state for a good few years yet. Footnote: decanting is advised."

Alberto Antonini

"It's crazy."

Interview: "Has Alberto Antonini opted to lead rather than follow the market?"

"(...). Antonini champions wines with "energy, purity, vitality, tension and minerality" rather than what he calls, with deliberate exaggeration, "concentration and viscosity, with three layers of barbecue sauce and ten pizza toppings". The five enemies of terroir, he continues, are "over-ripe grapes, over-extraction, over-oaking, vineyard chemicals and the winemaker". Rolland is no fan of chemicals either, but Antonini, unlike Mr Merlot, wants to be invisible in his wines. "If you recognise me, not the place, I say, 'Shit, what have I done wrong?' " As you'd expect, Antonini doesn't like new oak. "Casks are like vines," he says, "they tend to get better with age." He's moving away from stainless steel, too, because it "smells and tastes like death" in favour of concrete, "which smells of life". He's some way from being a "natural winemaker", but he champions Mother Nature. "My academic training taught me that we had to fix things all the time in the winery, by adding tannins, yeast, enzymes, nutrients and oak. But what are we afraid of?" Antonini thinks that consumer tastes are shifting, but he wants to lead the market, rather than follow it. (...). "It's time we persuaded people to switch from Schwarzenegger to Michelangelo's David." Michelangelo or not, the thing that strikes you about Antonini's wines is their drinkability. "How have we allowed

Tim Atkin MW, Harpers Wine & Spirit Trade News, Nov '17

Article: "The winemakers' winemakers"

"(...). As part of the consulting work Antonini does around the world, in 2010 he was offered a job in the region of Yeghegnadzor, Armenia. In their first conversation, the producer told him he wanted a 'modern' wine. Antonini, his voice calm, his manner zen-like, replied that if what he meant was a wine from local grapes and fermented in amphorae, like the wines made 6,000 years ago in Yeghegnadzor, then that was the 'modern' wine he needed. 'The wine of the future will be the wine of the past,' says Antonini. And that's the vision that, even after a 30-year career, sparks this Italian winemaker's excitement – the idea of returning to absolute simplicity in order to achieve the best possible interpretation of where wines are born. But that wasn't always his goal. Antonini today advises wineries in places as diverse as Maldonado on the Uruquayan coast, or Caltanissetta on the island of Sicily. But it all started in Florence, where he graduated in oenology and viticulture in 1985. His first job was as an assistant winemaker at Frescobaldi, and then he become technical manager at remarkable Tuscan wineries like Col d'Orcia and Antinori. In 1997, however, he decided to work as a consultant, and it was then that his influence began to be felt. Many of his clients are in Italy and he has his own winery, Poggiotondo, in Tuscany, where he lives when not travelling. (...)."

ARNAUD BAILLOT

Arnaud Baillot is located in Beaune, the heart of the Côte d'Or. Owner and winemaker, Arnaud Baillot, now presents his fourth vintage of limited edition Burgundy crus. Passionate about the diversity of wines the Burgundy region has to offer. Arnaud has teamed up with his wife Laure (granddaughter of Domaine Hudelot-Noëllat in Chambolle-Musigny) to produce a spectacular range of villages and crus Burgundy wines. Arnaud has been hands-on all along the way, selecting the origin of the grapes, overviewing the winemaking process, choosing the type of barrels and ageing time for each individual wine. In 2017, Arnaud and Laure acquired a small vineyard in Côte de Beaune, making their first step in having their own Estate produced wines at Domaine Arnaud Baillot. Their philosophy is to respect and promote the complexity of the Burgundy wine region while producing terroir driven wines.

Beaune vineyards are the most extensive of the Côte de Beaune, between Savigny to the North, and Pommard to the South. There are no Grand Cru vineyards in this commune, but 42 Premiers Crus. 'Les Montrevenots' are very well located and combine the delicacy of a Beaune with the power of a Pommard.

Nuits-Saint-Georges wines are produced in two villages: Nuits-Saint-Georges and Premeaux-Prissey. The soils are mainly composed of limestone and marl. A perfect exposure to the east gives the capacity to produce splendid wines. The 'Aux Boudots' vineyard borders the Premier Cru vineyards of Vosne Romanée, at the northern edge of the Nuits Saint Georges appellation.

Gevrey-Chambertin is the most northern of the great communes of the Côte de Nuits. There are 26 Premiers Crus and 8 Grands Crus. Arnaud Baillot Gevrey-Chambertin wines are produced from vineyards lying on the extension of the slope on which the Grands and Premiers Crus are situated.

2017 Corton-Charlemagne Grand Cru AC

"94 points" "In this ripe white-wine year, Corton-Charlemagne is especially powerful. This wine's considerable concentration unfurls swathes of rich white fruits filled out with minerality and crispened by acidity. The wine's potential is long term and it shouldn't be touched before 2023." Roger Voss, Wine Enthusiast Mag, Jan '19

2018 Montagny Premier Cru AC Vieilles Vignes

"It takes time to open up but the intensity is there from the outset. This is a fine chardonnay, flecked with fennel, driven by custard apple and nectarine, slipped with almond. It's refreshing and powerful at once; it has vigour. This needs another year or so in bottle and from there it will sail."

Campbell Mattinson, The Wine Front, Feb '21

2018 Gevrey-Chambertin AC Vieilles Vignes

"The nose of this wine opens with a lick of chocolatey richness that has a slight lift and surrounds red cherry. The red cherry attains juicy roundness on the concentrated palate where freshness counters the ripeness. It has density, drive, liveliness and wonderful balance." Anne Krebiehl MW, Wine Enthusiast Mag, Dec '20

Montagny Premier Cru is one of the four communes of Côte Chalonnaise and Montagny is the southernmost appellation. The vineyards are planted on a series of hills in the shape of a horseshoe. The wine emenates aromas of golden apples, almonds, ferns and citrus. On the palate, the first impression may be lively and well defined, but a sensation of roundness soon follows. The aftertaste is long and elegant with delicious flavours of stewed fruit.

Corton-Charlemagne is highly notorious and has an emblematic historical dimension. Its vines were given by Charlemagne to the collegiate church of Saint Andoche de Saulieu in 775. Arnaud's southeast facing parcel lies between the communes of Pernand-Vergelesses and Aloxe-Corton. This exposure results in a rounder and more expressive wine than east-facing Charlemagne (Ladoix-Serrigny area) which are colder and more austere. Floral/white fruit aromas lead to a structured and powerful palate.

Pernand-Vergelesses is located at the northern end of the Côte de Beaune and is one of the most picturesque villages in Burgundy. Pleasant aromas of honey and honeysuckle evolve into exotic notes. A wine of character, energy and mineral notes. An intense, fruity and fresh aftertaste.

'Haute Tartre' is a Pinot Noir single vineyard of 0.29 Hectares on Arnaud's estate, planted in 1964. This single vineyard is located in the very south of the Côte de Beaune, on the town of Decize-Lès-Maranges. The soils are mostly limestone.

GRAND CRU

ARNAUD BAILLOT

Bouchard Aîné & Fils, founded in 1750 in Beaune, the historical heart of Burgundy, and housed in the cellars in the Hôtel du Conseiller du Roy, a classic 18th-century mansion, has earned acclaim for its expertise in crafting Burgundy's treasured Pinot Noir and Chardonnay for over two centuries.

In 1961, Jean-Claude and Claudine Boisset, a young couple in the heart of Burgundy, France, embarked on a career in the wine trade. Three years later, they purchased their first vineyard plot - Les Evocelles in Gevrey-Chambertin. Today, this parcel is a part of the Boisset family domaine, and the company bearing Jean-Charles Boisset's family name has grown to be the leading wine producer in Burgundy, with a presence in 80 countries, and collection of unique, independent wineries and historical estates. It is one of the world's leading family-owned luxury fine wine companies.

WINEMAKER, LAURENT MAIRET

It is a long-lasting relationship Laurent shares with the Maison Bouchard Aîné & Fils. Indeed, he recently became the new winemaker of the Maison, which brings him back to his first love as he already held this position from 2000 to 2007.

Holder of a National Oenology Diploma (DNO), Laurent was trained to continually and relentlessly search for perfection in his work, in particular while working in one of the best domaines of Condrieu, in the Northern Rhône Valley. For the last 20 years he's been pursuing that same perfection at Boisset. Laurent also played a leading part in the creation and then opening of the new Bouchard Aîné & Fils winery in Beaune in 2000.

'Collection' Pinot Gris

In accordance to Bouchard Aîné & Fils' tradition and values of elegance and quality, the Pinot Gris grapes were selected from specific vineyards from the South of France, more specifically in the Languedoc area, in the Aude department. Semi-carbonic maceration adds interest before being followed by traditional vinification and ageing in tanks. The wine is ample and generous with exotic fruits and lemon notes. Very good length in the mouth, yet with a beautiful sense of tension. Light and pleasant hints of hazelnuts on the finish with a smooth, rich aftertaste.

'Héritage du Conseiller' Chardonnay

Vins de France are produced from different wine regions of France. This quite new appellation (2009) allows for a greater liberty in winemaking compared to the appellation system because you can blend varietals from different regions and vintages, plus choose the best technique to enhance them. The Chardonnay grapes were harvested during the cool hours of the night to keep the typical freshness of Chardonnay. Each plot was vinified seperately so that we respect their true nature, and get a finer and purer wine. After the fermentaiton process, the wines were aged for 3 months on their fine lees

in stainless steel tanks. Generous and seductive aromas of nectarine and acacia flowers lead on to an elegant, exotic and well-balanced palate.

'Héritage du Conseiller' Pinot Noir

The grapes for this wine were harvested in the Pays d'Oc area in the South of France. The soils are mostly clay limestone, the climate Mediterranean. The grapes were harvested mechanically, a great way to ensure a pre-fermentary maceration period that will give a wine with brighter colour and fresh fruity aromas. After that 4 day period, the harvested plots were vinified separately with a long fermentation of 3 weeks. The tank fermentation process ended with a post-fermentary maceration of 7 days at a hot temperature to refine the tannins. 25% of the wines were then aged for 4 months on lees in oak barrrels. the remainder aged in stainless steel tanks.

LUDES - FRANCE

The Champagne House of Forget-Brimont is based in Ludes, a small village with Premier Cru classification in the heart of Montagne de Reims, one of the most prestigious terroirs in the Champagne region. Led by 6th generation family member, Michel Forget, the Maison works 20 hectares with Grand Cru (Mailly-Champagne, Verzenay) or Premier Cru (Chiqny-les-Roses, Ludes, Montbré, Sermiers, Taissy, Villers-Allerand) classification, mainly planted to Pinot Noir. The Forget family have worked the vines for over 200 years since the 19th century and made their first sparkling Champagnes in 1929.

Forget-Brimont adopted a sustainable viticulture and minimal-intervention method 20 years ago which is respectful of the soil and the vine. All fertilisers used are natural and treatment is targeted and kept to a minimum. Grape hand-pickers are paid by the hour, not per kilogram to ensure perfect maturity of the grapes. The care taken in cultivating the vine is extended to the winemaking, for which a non-interventionist approach has been adopted to allow full expression of the terroirs and varieties. Only the first press (la cuvée) is used and only the best of that pressing is kept to adhere to the commitment to quality and purity. The wines do not contain additives and are not fined. The wines are matured on their lees in thermoregulated tanks before bottling. Blending with a high proportion (40% to 50%) of reserve wines of almost 10 different years in each cuvée, except Vintages, adds depth and complexity. The Champagnes then undergo a lengthy second fermentation 15 metres underground in traditional chalk cellars where they are left to mellow between 30 months and 10 years. Forget-Brimont are one of the lasts houses of Champagne to still continue digging its own cellars today. After dosage, the wines are laid down for an additional two to six months before release. These standards exceed the minimum requirements of the Champagne Appellation.

NV Premier Cru Brut "94 points"

"(...). On the palate, ripe and lively acidity with peaches, apples, lemons, rich and creamy on the finish with a nutty and delicate finish. The persistence on the finish is impressive from this delicate wine which has been incredibly well made, 40% Pinot Noir, 40% Pinot Meunier and 20% Chardonnay which has been fermented in stainless steel. The wine goes through malolactic fermentation for the creamy elements and has spent 30 months on its lees giving the gentle yeasty, pastry notes that interweave with the delicate stone fruits and crisp apple and lemon flavours. The Brut 1er Cru was so delicate that initially, I missed a few notes within the subtlety but as the length continued to reveal its secrets, I was pleasantly surprised."

Curly Haslam-Coates,

The Wine Front, March '21

NV Premier Cru Brut Rosé

"(...) juicy and delicious..." "(...). A juicy and delicious combination of strawberries, raspberries, cherries. redcurrants and blood oranges combine with a creamy and nutty finish and just the right amount of umami rounding things off. (...)." Curly Haslam-Coates, The Wine Front, March '21

NV Premier Cru Brut Blanc de Blancs "94 points"

"100% Chardonnay with around 45% of reserve wine in the blend, this Blanc de Blancs has spent 30 months on its lees and yet retains an incredible freshness and youthfulness in the glass. Very classical on the nose, toast, honey, almond meal, lemons, white blossoms and danish pastries all elegantly and subtly dancing around as not to spoil the surprise of the richness that the palate offers. Toasty but fresh, there is only the merest hint of mushroomy development so this youthful and elegant Champagne is one that you could comfortably tuck away in the cupboard for quite a bit longer. One for a quietly understated occasion when you have a little time to sit and savour." Curly Haslam-Coates. The Wine Front. March '21

NEW WINERY

Château Picoron is a 5 hectare vineyard planted on a ridge extension of the Saint-Émilion clay and limestone plateau in Côtes de Bordeaux. Founded in 1570 by the Picoron family, Château Picoron has a long history of wine. Today Château Picoron is operated by Australians, Frank and Glenda Kalyk. What they produce is as much a celebration of the history of their winery, as it is the future. Château Picoron is a coming together of France and Australia, old and new, past and future.

Château Picoron does not produce to be compared, but to express a wine which is uniquely theirs - not a blend of acres of vines, but a transparent expression of a specific place. The wines are vinified plot by plot (each less than half a hectare), some producing only a few thousand bottles (no more than 2500 cases per year in total), and the result is a clean expression of terroir.

Winemaker, Stephane Apelbaum, believes nature to be his greatest collaborator, preferring a minimal intervention to vineyard management and winemaking. Château Picoron vines are not irrigated, the wines are produced sustainably, and the winery is on a journey toward organic conversion.

Castillon Côtes de Bordeaux AOC Merlot

2015 will go down in Bordeaux history as one of the best vintages in recent years. Vinified from the best south facing plot and barrel aged in French oak. This wine is always aged for 3 years in bottle before release to ensure it is ready to drink, although it could cellar for another 10 years.

'Petit Picoron' Castillon Côtes de Bordeaux AOC Merlot

The south facing, shielded ridge was spared the frost of 2017 which impacted most other wineries. An aromatic and mellow wine, ready to drink now.

2015 Castillon Côtes de Bordeaux AOC Merlot

"(...). Hefty, quite modern, but rich and satisfying."

"Blockbuster style. Cassis, coffee bean and mint chocolate, some earth/gravel-like character. It's thick and bold, packed with plum and black fruits, a ferrous character, rolling fat tannin that coats the mouth, bitter chocolate and dried herb, and a fleshy finish of good length. Hefty, quite modern, but rich and satisfying."

Gary Walsh, The Wine Front, www.winefront.com.au, Dec '20

"16/20" "(...) much more drive than some St-Émilions. (...)."

"Deep crimson – much deeper than Petit Picoron 2015, than which is it much more lifted and complex on the nose. Sweet start with polished tannins and much more drive than some St-Émilions. Ambitious with a great charge of well-managed tannins. Another vigorous wine but with a much longer life ahead. Quite impressive persistence and lively ripe fruit."

Jancis Robinson MW, www.jancisrobinson.com

"(...). A big, brawny, chewy-tannin wine with remarkable power (...)."

"Deep, dark, dense red colour with a good purple tint. The bouquet shows smoky, oaky, creosote and cocoa-powder aromas, with full-body and firm tannin grip that persists. A big, brawny, chewy-tannin wine with remarkable power and grip for a pure merlot. (...)."

Huon Hooke, The Real Review, Jan '20

"(...). The palate has a wealth of richness and approachable fruit flesh."

"There's a wealth of rich dark berries here and a thread of dark chocolate, as well as a spicy, cedary influence. The palate has a wealth of richness and approachable fruit flesh. Good value. Drink or hold."

James Suckling, www.jamessuckling.com

"Good quality, deep rich fruit (...)."

"Good quality, deep rich fruit, some delicious damson and chocolate notes. The high alcohol comes through in terms of its silky and slightly heavy texture but this is well balanced, has plenty of punch. 100% Merlot. Glenda and Frank Kalyk have been owners here since 2015, making this their first vintage. 15.5% abv. Drink now-2030."

Decanter

"Perfumed wood and black fruit aromas lead the way in this delicious wine. (...)."

"Perfumed wood and black fruit aromas lead the way in this delicious wine. It's rich but still firm, with fine juicy fruit that will come through with time. Packed with tannins, it will be ready to drink from 2021."

Roger Voss, Wine Enthusiast Magazine, Dec '17

2017 'Petit Picoron' Castillon Côtes de Bordeaux AOC Merlot

"(...) savoury and a little bit 'mineral' and quite enjoyable."

"Very ripe, black fruits, coffee bean and earth. It's sweet and up front, but has plenty of sooty tannin, ripe raspberry and a little bit of warmth, some tobacco and earth on a solid finish. Perhaps a bit breathy, but it's savoury and a little bit 'mineral' and quite enjoyable."

Gary Walsh, The Wine Front, www.winefront.com.au, Dec '20

"A lightly tannined, fresh and bright red with currant and light earth character. Medium body. Easy finish. Drink now."

James Suckling, www.jamessuckling.com, Jan '20

Domaine Gautheron is located in Fleys, a village of 150 inhabitants surrounded by Chablis' eastern hills in Northern Burgundy. It covers 30 hectares of vines on some of Chablis best terroirs. The estate is family owned and operated for more than seven generations. Today Cyril Gautheron, supported by his father Alain, is making one of the appellation's finest wines. Cyril Gautheron focuses on the expression of terroir to make graceful wines which respect the crisp and traditional characteristics of Chablis. From the classic Chablis and crystal-cut Premier Cru to the bold Grand Cru wines, the Domaine is highly recognized among international wine trade. Cyril's wines can be found in some of the world's best restaurants and bars: Hakkasan in London, Gordon Ramsay's

Cyril Gautheron 'Frissons' AOP Bourgogne Chardonnay

Le Pressoir d'Argent in Bordeaux, and

Maria Loca in Paris, just to name a few.

'Frissons' means 'shiver' in English, in reference to the frost which hit the vineyards in 2016. Made by Cyril from grapes from his cousin's vineyard.

Chablis AC

Made from 15-55 years old vines grown on north and northeasterly aspects. Floral notes, stonefruit and fresh butter. A balance of liveliness, maturity, mellowness, elegance and fresh richness.

Chablis AC Vieilles Vignes

From 55 year old vines grown on northeast to west aspects. Full and long, yet subtle.

'Les Fourneaux'

'The Furnace' is made from vines 20 to 40 years old grown on south and southwesterly aspects. Full-bodied and mellow yet elegant.

'Montmains'

'Montmains' is the 'mid-mountain' which is seated at an intermediate altitude between two higher slopes. The terroir is located on the left bank of the Serein River and has a clay-based soil. Its excellent exposure makes it an early-ripening site, able to deliver great body and structure to the wine, with a generous mouthfeel.

'Vaillons'

This is a sunny Premier Cru which produces a wine with intense aromas of stonefruit and warm spices. 'Vaillons' comes from the Latin words 'Valmlis' or 'Valles', literally meaning 'elongated space between two high areas'.

'Montée de Tonnerre'

One of the most spectacular Premier Crus of Chablis with lots of fossilized outcrops. The slopes are southwest oriented and are simply separated from the Grand Cru Les Blanchots by a narrow ravine. Montée de Tonnerre is famous for its subtle mix of finesse and intensity. Pure and intense with salty, mineral sharpness.

'Valmur'

The Valmur terroir is split into two parts on each side of the Sainte-Vaubourg fountain path. Its clay-limestone soils are deeper than the other Grand Crus. The slopes have a southerly exposure with chalky screes overlying a Kimmeridgian soil made of fossilized oysters known as 'Exogyra Virgula'. An intense, concentrated and balanced mix of mineral and smoky flavours.

'Les Blanchots'

'Les Blanchots' is a specific 'climat' in the Grand Cru terroirs. The soil is composed of a layer of white clay on Kimmeridgian limestone with ammonites, an ideal combination for the soil to keep the right amount of water for the vine's roots. The southeast exposure allows slow ripening and complex aromas. Stunning, delicate, silky and ages beautifully.

'Les Clos'

This is the Grand Cru of the Grands Crus, creating a full-bodied wine with intense minerality and exceptional finesse. 'Les Clos' is a southwest facing slope above the town of Chablis itself. This exposure allows the grapes to achieve perfect ripeness and concentration in acidity and flavours. The soil is well drained, made of stony soil with high levels of limestone and clay.

'Les Preuses'

The name of this climat comes from the word 'stone',from the 'stony' way. As on a promontory, the Preuses climat dominates the Grands Crus hill. The nose is dense and elegant, yet the palate is delicate, long and charming.

Domaine de la Tour du Bief is located on the best terroirs of its appellation, Moulin-à-Vent, a prestigious and historical cru of the Northern part of the Beaujolais region, located South of Mâcon. The estate has changed hands little since its creation in the Middle Ages; only four times since 1644. The second-last owner, Vincent Girardin, legendary winemaker of Burgundy (Montrachet), ceded it in 2012 to Jean-Jacques Parinet and his son, Edouard.

2013 Moulin-à-Vent Beaujolais Gold Medal

Concours des Grands Vins de Mâcon

2015 Moulin-à-Vent Beaujolais

"Brilliant violet. Lively, spice-accented red and dark berry and floral scents pick up hints of candied flowers and minerals with air. Fresh and energetic on the palate, offering gently sweet strawberry and spicecake flavors that deepen steadily on the back half. Finishes smooth and seamless, featuring resonating spiciness and very soft tannins."

Josh Raynolds, Vinous, Dec '17

2010 'Hauts de la Rochelle' Moulin-à-Vent Beaujolais

"Scents and juicy palate abundance of elderberry and blackberry characterize Girardin's 2010 Moulin-a-Vent Les Hautes De La Rochelle and its saliva-inducing salinity shades into a smoked meat direction that complements the marrow-like aspect familiar already from the corresponding Clos de la Tour. Ultra-refined in texture, this caresses as it invigorates in a finish suggesting a shimmering of mineral matter through pure, transparent berry fruit and meat stock. Quite honestly, this left me drooling!"

Robert Parker

V = VEGAN

2015 Moulin-à-Vent Beaujolais

100% Gamay from the terroir 'la Tour du Bief' of 6.7 hectares, halfway up the Moulin-à-Vent appellation. This terroir was probably the first terroir of the appellation that was cultivated to make wines, somewhere between the 12th and 13th Century. The soils of this terroir are clay over a granite substrat, exposed to the east-southeast. These specific granitic soils (gorrhe), lie over deeper soils rich in manganese and metallic oxides. The powerful winds blowing on the appellation have a decisive impact on the sanitary state of the vineyards, the maturation and the berries' concentration. Hand-picked and sorted before destemming 60% of the fruit, then cold soaked for 3 weeks with some pumping over before fermenting with some initial punching down. Pumped over at the end of fermentation to give more roundness and finesse. 60% oak aged for 12 months in 228L French oak barrels (Allier and Vosges forests) of medium toasting, of which 10% was new oak.

2013 Moulin-à-Vent Beaujolais

Made in the same manner as the 2015, however was 100% destemmed instead of 60%. A very good vintage which produced powerful and lively wines with good acid support.

2010 'Hauts de la Rochelle' Moulin-à-Vent Beaujolais

100% Gamay from the terroir 'la Rochelle' of 4.218 hectares. Below the neighbouring terroir 'les Vérillats', on the top of the appellation at 280m in altitude, 'la Rochelle' is located on the top part of the Vérillats mount south slope. Here the soils are granitic sands, deeper than the Vérillats. This terroir is in the wind's corridor with southern exposure. Hand-picked and sorted before destemming 100% of the fruit, then cold soaked for 3 weeks with some pumping over before fermenting with some initial punching down. Pumped over at the end of fermentation to give more roundness and finesse. 100% oak aged for 14 months in 228L French oak barrels (Allier and Vosges forests) of medium toasting, of which 30% was new oak.

2015 'Clos de la Tour' Moulin-à-Vent Beaujolais

100% Gamay from the oldest vines on the terroir 'la Tour du Bief' of 3 hectares. The Clos consists of centuries old vines. Hand-picked and sorted before destemming 100% of the fruit, then cold soaked for 3 weeks with some pumping over before fermenting with some initial punching down. Pumped over at the end of fermentation to give more roundness and finesse. 30% stainless steel aged, 70% oak aged for 21 months in 228L French oak barrels (Allier and Vosges forests) of medium toasting, of which 40% was new oak.

GRANDS VINS D'ALSACE JUSTQUE LOTENTZ à Bergheim depuis 1836 FRANCE

Established in 1836, Gustave Lorentz is now one of the major family-owned fine wine producers in Alsace. Today, sixth generation family member Georges Lorentz holds the reins of the family business as President. In the future, Georges can count on his three daughters to pursue the family tradition.

The Gustave Lorentz estate vineyards represent 33 hectares of vineyards exclusively on the hillsides of Bergheim in the heart of Alsace, including 12ha on the Altenberg Grand Cru of Bergheim and 1.5 ha on the Grand Cru Kanzlerberg. Bergheim is located in central Alsace where the soils are heavy and produce very high quality wines. Firmly convinced of the need to produce higher quality grapes, Georges Lorentz began the transition to organic viticulture in the early 2000s and the estate grown grapes finally became fully organic in 2012.

2019 Pinot Blanc 'L'ami des Crustacés'

"Shellfish on the front label. Clever. It's a particularly well chosen shade of green to the bottle itself too. Importer: Santé Wines. It's tasty. It has a subtle chalkiness to its texture. It's refreshing. And while it's not overly long it has enough length to satisfy. This is good; well priced, well made, driven by (dry) pear and seaspray notes, aromatic inside and out, and a perfect match with shellfish."

Campbell Mattinson, The Wine Front, Feb '21

2019 Pinot Gris 'Reserve'

"(...). There is something summery and bright about this, despite the full-bodied generosity. The finish is dry and vivid."

Anne Krebiehl MW, Wine Enthusiast Magazine,

Anne Krebiehl MW, Wine Enthusiast Magazine, October '20

2019 Gewurztraminer 'Reserve'

"In this wine, notes of ripe melon have overtones of dandelion blossom. The concentrated palate brims with juicy freshness and verve. Ripe Mirabelle fruit is edged withlemony pith, coming to a refreshing, off-dry finish."

Anne Krebiehl MW, Wine Enthusiast Magazine, Oct '20

Maison Varichon & Clerc was founded in 1901 in the town of Seyssel in the Ain département, located in Savoie at the foot of the French Alps between Lyon and Geneva. It is one of the region's oldest and most important wine houses making Traditional Method sparkling wines. In the 1990s V&C's specialist know-how and this profound attachment to their Savoy origins led the winery to become part of the Boisset Family of wineries where the excellent quality of the V&C wines was quickly recognised.

NV Blanc de Blancs Brut	11.83	6 pk
NV Rosé Brut	12.90	6 pk
NV Blanc de Noirs	17.20	6 pk

NV Blanc de Blancs Brut

Produced by natural fermentation (Charmat) in tank and aged on lees for 3 months, this is a fresh wine with hints of alpine flowers, peach and pear.

NV Rosé Brut

A meticulous selection of base wines were bottled together with a 'liqueur de tirage' to begin fermentation in the bottle. Each bottle was then aged on lees for 3 months which added aromatic complexity to the wine. A dry dosage gave the final touch to this elegant sparkling rosé.

NV Blanc de Noirs

The base wines are made from mainly Pinot Noir with a small complementary addition of Gamay. Produced by Methode Champenoise and aged on lees 12 months, which is far more than the minimum of 9 months required by law for production of Methode Champenoise wines.

Savoie, Rhône-Alpes, France Established in 1901 www.varichon-et-clerc.com

These fine wines of the Provence region are produced from grape varietals raised along the shores of the Mediterranean Sea, from the Sainte-Victoire mountain range in the west to the hinterlands of Haute Provence Alps in the east.

A special selection of Tempranillo coming from the winery's favourite vineyard. The fruit from this vineyard has provided outstanding quality year after year.

An extreme continental climate with long hot summers produces intensely flavoured wine from these 30+ year old head trained, spur pruned bush vines on the Spanish plateau.

\$ LUC PACK NOTES

2019 'Vendimia Seleccionada' Tempranillo 16.13 6 pk

AVAILABLE IN WOODEN BOX 6 PK

'Vendimia Seleccionada' Tempranillo

The 'Vendimia Seleccionada' ('Selected Harvest') Tempranillo shows a lovely clear deep ruby-purple colour. Clean and distinguished aromas of black cherries and blueberry jam. These berry jam flavours attack the palate with juiciness getting smoothed out with light vanilla and delicate milk chocolate and roasted coffee bean. On the palate the wine is dry, full-bodied with firm but ripe velvety tannins and a long finish. Aged for 6 months in 1-2 year old French oak barrels.

Wine Match for Cuttlefish stuffed with chorizo, breadcrumbs and herbs

"Chorizo brings a spicy element to this gutsy seafood dish and cements the wine match as red and Spanish. There's a plethora of good, reasonably priced Spanish reds on the market but Radio Boka is a new discovery revealed at the GT WINE Spanish reds panel tasting in 2020.

It offers fresh, bright aromas of raspberry and red liquorice supported by modest tannins and an energetic finale. This Spanish-inspired recipe has paprika to the fore adding its smoky spice to that of the equally spice-laden chorizo. The assemblage of fresh herbs helps keep the stuffing light and lithe confirming the synergy between the cuttlefish and this dangerously drinkable red." Peter Bourne, Gourmet Traveller Wine. March '21
